## Madison Bridge Lease May Solve Maintenance Cost Dilemma

### 19-Year Pact Provides for Local Mulching Business; Industrial Park Is Likely

By HARRY BARNES  
Press-Record Staff Writer

A remunerative plan under which the city of Madison will lease its city-owned Chain of Rocks Bridge and 154 acres of land for a new-type landfill operation has been negotiated and will be submitted to the city council for approval tomorrow night, it was learned by the Press-Record today.

A lease agreement giving the city a 19% share of gross receipts on the landfill operation, plus a \$25,000 escrow fund advanced by the developer to repair and maintain the Chain of Rocks bridge was announced by Madison Mayor Mike Sasyk following a series of meetings with city aldermen, attorneys and other principals representing both sides of the agreement.

The mayor said the agreement and the subsequent landfill operation should lift from the city a mounting financial burden of maintaining the Chain of Rocks bridge on which Madison has collected no toll fees but has been responsible for upkeep for the past two years.

The bridge now is used only by trucks hauling garbage and trash from St. Louis to MAL landfill, an operation also conducted under a lease with the city of Madison.

The contract has been negotiated, Sasyk said, with Glenn R. Vatterott, St. Ann, Mo., who has wide investment interests in Holiday Inn, construction developments and other projects. While the lease agreement has been negotiated directly with Vatterott, terms of the contract point out that a corporation for operation of the landfill project is to be organized and that the lease agreement will be transferable to that corporation.

**Sustantial Return**  
"While we cannot quote figures at this time, projections indicate that the city of Madison will receive a substantial return from the project and guarantee funds for maintenance of the city's bridge, a problem that has been worrying us quite a bit," Sasyk said.

The agreement provides for lease of city-owned land on the Illinois side of the bridge approach in Chouteau township for the landfill operation, Vatterott and other interests in the project also are acquiring additional land adjoining that owned by the city of Madison, Sasyk told the Press-Record.

The project, he said, provides a new type of landfill operation

that will require the use of expensive equipment that will "mulch" all solid waste material into a finely-ground product that will settle rapidly and permit quick reclamation of the land on which the operation is conducted.

Mayor Sasyk said the agreement provides that no garbage will be accepted in the waste disposal project, except that collected within the city of Madison, which will be a minor part of the waste and disposal involved.

**Free Service to City**  
"This represents another advantage to the city, in that all Madison garbage and trash will be disposed of at this landfill without cost to the city," Sasyk said.

Under the contract, the city of Madison will maintain the Chain of Rocks bridge and keep it in good condition for use by trucks patronizing the landfill operation.

### Drive Set Friday to Sell Jubilee Stock

Youth groups in Granite City will sell Diamond Jubilee Souvenir Stock in a door-to-door campaign Friday according to Marvin VanMetre, chairman of stock sales. Members of De Molay have formed a steering committee, co-chaired by Glen Hallacore and David VanMetre, to handle details of the drive.

The stock certificates, attractively printed in two colors, feature the new Granite City flag emblem and are ideal for framing or gifts. Each share sells for \$1 with the proceeds going to the financing fund for the 75th Anniversary Celebration being held this Aug. 21-29.

The youth salesmen will report at the Jubilee Headquarters, 1930 Edison, at 1:30 p.m. to receive their materials and instructions. Each group providing salesmen will receive a generous commission, Van Metre stated. High school age groups are asked to register in advance by calling either the Jubilee Office, 877-8257, or VanMetre at 876-7200.

Thomas Hooks, 18, of Venice, received his Eagle Scout award Friday afternoon at George Washington University Hospital, Washington D.C. where he is a patient following a diving accident.

Four persons representing the Madison Police Department and Madison Lions Club, co-sponsors of Explorer Post 10-4, made the trip to Washington to make the presentation.

Walter F. Strange, Madison, Institutional Representative, an act of heroism may have been responsible for saving the life of an Arlington Heights boy who was one of three youths burned at the Arlington Heights swimming pool at 3 p.m. Friday when a can of gasoline spilled and burst into flames.

Frank Mehelic Jr., 18, of Rural Route One, Box 455, Granite City, a supervisor at the pool, was cleaning paint brushes and his hands in gasoline while painting picnic tables there and slipped to talk to Jamie Verdu, 8, and Tommy Verdu, 20, sons of Mr. and Mrs. Frank Verdu, 27 Arlington Drive.

Mehelic accidentally kicked

over the can of gasoline, witnesses said, and the flammable liquid ran into the pumping house where it apparently dripped onto a hot pipe and ignited.

**Clothing Caught Fire**  
The three youths were set ablaze. Tommy Verdu said he jumped into the swimming pool immediately, but his brother just stood in the burning gasoline screaming.

Mehelic was admitted to the hospital with burns to his arms, hands and feet. His hair also was singed by the flames.

The Verdu boys climbed out

of the pool and were driven to St. Elizabeth Hospital by Mehelic.

The younger boy was examined and was transferred to the St. Louis hospital with third degree burns to his chest, arms and legs and first degree burns to his face.

Tommy Verdu was treated for burns to his feet and was released for treatment by a family physician.

### Garber is 37th Victim of War

By Press-Record Staff Photographer

Army Sergeant First Class Wayne A. Garber, 33, who won the Silver Star and Bronze Star Medals for extreme heroism, was killed in action June 14 in South Vietnam when his unit—Advisory Team 77—was ambushed on patrol.

His family here, two brothers and a sister, was advised by military authorities of the serviceman's death Thursday.

A son of the late John and Rose Garber of Granite City, Sgt. 1. C. Garber was on his fourth tour of duty in Vietnam. He had served voluntarily in Vietnam for a period of seven years and had worked closely with South Vietnamese forces in both training and combat operations.

Sgt. 1. C. Garber is the 37th Quad-City serviceman to die as a result of war in Vietnam and the 33rd local man killed in action since December 1963.

**Family Awaits Details**  
Complete details regarding the hostilities in which the soldier lost his life were not made available to the family. It was learned, however, that Sgt. 1. C. Garber's unit, consisting of South Vietnamese regional forces, had been operating in the vicinity of Soc Trang a short time before.

(Soc Trang, located in a remote section of the Mekong Delta, became well known to several local families when four Quad-City servicemen were stationed simultaneously last spring at the Soc Trang Army Airfield as part of a small 750-man force.)

Sgt. 1. C. Garber was born in

McLaughlin, S. D., but was reared in Granite City and attended schools here before enlisting in the U. S. Marine Corps at age of 17.

He spent four years in the Marines and returned to civilian life briefly before enlisting in the Army 12 years ago. The soldier was married about ten years ago in Seoul, Korea, where his wife, Kim, still resides.

At his wife's request, Sgt. 1. C. Garber will be buried this week in Seoul, Korea.

**Awarded Silver Star**  
For heroism under fire, the sergeant was awarded the Silver Star in the spring of 1970.

### Youth Drowns in Pond

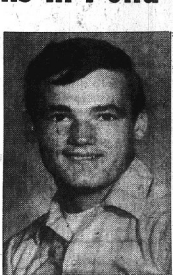

Leslie Eugene Lewis, 18, of Rural Route One, drowned at 1:20 p.m. Saturday while swimming at Engineer Road Lake, Nameoki Township.

A crowd was at the lake and the youth was in the company of two other youths when he apparently suffered a cramp. The friends ran for help, and attempting a rescue were Charles and Wanda Stroud, 1600 E. 23rd.

The body was recovered in about a half hour by the Long Lake Fire Dept. rescue squad from six feet of water. Edward Werner, Madison County deputy coroner, ruled the cause was accidental drowning.

A life-long resident of Granite City, he was the son of Frank Lewis and Mrs. Florence Leiner, both of Granite City. He was a member of Grace Baptist Church and would have been a junior at Granite City High School in the fall.

Other survivors include three brothers, Joey and Kevin Lewis of Granite City and Pvt. James Lewis of Fort Leonard Wood, Mo.; two sisters, Connie and

### Two Killed in Area Auto Crash

Two persons were killed and two others were injured critically in a head-on collision of autos driven by Floyd Hand, 45, of 5123 Rapp Road, and Dennis Zimmerman, 27, of East St. Louis, at 12:20 a.m. today at Route 111 and Sand Prairie Lane.

Pronounced dead at the scene by Deputy Coroner Edward Werner were Mr. Zimmerman and Hand's wife, Mrs. Jo Ann Hand, 44.

Hand and his son, Michael Hand, 14, were reported to be in critical condition.

The deaths of Mrs. Hand and Mr. Zimmerman brought to 28 the total number of traffic fatalities so far this year involving accidents in the Quad-City area or local residents who died in crashes elsewhere. This is an increase of 10% over the 13 traffic deaths occurring in the same period of 1970.

The son is in the intensive care unit of Firlin Desloge Hospital with head injuries and multiple lacerations. The father is in the intensive care unit of St. Elizabeth Hospital with multiple lacerations to the face, right hip, left lower leg and right arm.

The Hand auto was headed north and the Zimmerman car

was westbound at the time of the collision.

An inquest is pending. An obituary notice appears elsewhere in today's issue.

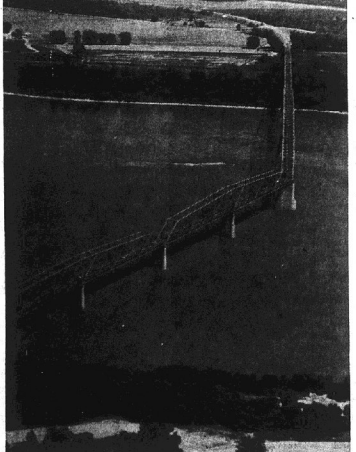

They were taken by ambulance to St. Elizabeth Hospital at 3:45 a.m. where they were admitted in good condition. Mrs. Lewis had a right leg injury, a skull fracture, a state highway sign and overturned.

Police reported Champion's wife, Barbara, 22, was thrown out of the auto and the car rolled over her. Also injured was Mrs. Carol Champion, 30, of the same address.

Skid marks indicated the auto went out of control in the inside southbound lane and went across the outside lane before

### Area Votes Against Tuesday For Two Levee Trustees

Polling Places Listed on Page 3

Quad-City area voters will go to the polls again tomorrow to elect two members of the East Side Levee and Sanitary District board of trustees.

The two members will be chosen in a special bipartisan election, the validity of which has been challenged by the four present members of the levee board now holding office under rulings by the Appellate and Illinois Supreme Courts.

Polling places will open at 8 a.m. in a total of 16 precinct polling places — 32 in Granite City township, 11 in Nameoki township, 11 in Venice township and two precincts (Nos. one and four) of Chouteau township. This area comprises the Madison county portion of the levee

son county and three from St. Clair county is based upon the respective sections.

Election of a new five-man board appears almost certain to result in a legal controversy over seating of the new members since the present four man board contends the special primary election on May 4 and tomorrow's runoff — called by Governor Richard Ogilvie, is not valid because of the higher court rulings under which they have now in office.

The present board consist of Morris Campbell, George Duff and Lawrence Tolar of East St. Louis, and William "Mike" Ebersold of Venice. The fifth member of the present board, Joseph Grant of Granite City, died in 1969.

Seeking election in the Quad-City area balloting tomorrow are Von De Cruse and Walter Greathouse, both of Granite City, who are candidates on the Democratic ballot, and John Mangiaracina of Venice and

## Protestant Welfare Reports May Cases

During the month of May a total of 22 cases, involving 88 persons, was handled by the Protestant Welfare Association, according to a report submitted at the monthly meeting last week by Mrs. Marie Whitte, office secretary.

Twenty orders were issued with relief distribution as follows: Food, \$386; new shoes and clothing, \$25; and six orders of clothing and shoes from the Store Room estimated at \$60.

The meeting was held at Trinity United Methodist Church and devotions were given by Charles Herman entitled "Our Hands." Lennie Crockarell presided during the business session and a report of the secretary, Mrs. Irma Taylor, was read. Mrs. Minnie Dillard gave the treasurer's report.

The group plans to participate in the 75th Anniversary celebration and parade in Granite City, and the "fun fair" in the autumn.

The next meeting of the Association will take place Sept. 21 after the July and August vacations. It will be held at the Madison Methodist Church.

## Movie Director, Star To be on Campus Here

Gordon Parks, photo-journalist, author and movie director, and Richard Roundtree, star of MGM's movie "Shaft," directed by Parks, will be on Southern Illinois University's southwestern-campus on Friday.

At noon in the Madison room of the University Center, Parks and Roundtree will discuss the movies. Three short excerpts from the film will be shown. The public is invited, admission free.

Born on a farm near Fort Scott, Kans., Parks has been a bus boy, piano player, lumberjack and professional basketball and football player. While watching a newscast in 1937 of the Japanese bombing of the U. S. S. Panay in China, he decided he wanted "to speak my piece with pictures and words."

How he acquired his first camera, learned his craft and struggled upward against formidable odds is told in his second autobiographical book, "Choice of Weapons." Some of his other books include "The Learning Tree," "A Poet and His Camera," "Whispers of Intimate Things," and a soon-to-be published autobiography entitled "The Human Experience."

**Worked with OWI**  
In 1942 Parks became the first Julius Rosenberg fellow in photography. During World War II he worked for the Office of War Information. He spent five years as a photographer for Standard Oil of New Jersey and then joined Life Magazine in 1949.

In addition to "Shaft" and "The Learning Tree," Parks has directed several short films, including one on FIVIO, the Brazilian boy whose story he originally did for Life Magazine. "The World of Pin Thomas," and "The Diary of a Harlem Family."

In 1967 Parks was voted the photographer-writer who has done most to promote understanding among the nations of

the world. The following year he received an honorary doctor of fine arts degree from the Maryland Institute of Fine Arts. In 1969 he received a doctor of humanities degree from Boston University and a doctor of letters degree from Connecticut University.

He has also earned awards from the National Conference of Christians and Jews, the Philadelphia Museum of Art, Syracuse University School of Journalism, the New York Art Directors Club, the American Society of Magazine Photographers, the Missouri School of Journalism and the Photographic Society of America.

**Former SIU Student**  
Roundtree, who plays the title role in "Shaft," is a former student at Southern Illinois University, Carbondale. A native of New Rochelle, N. Y., he won a football scholarship to SIU and entered in the fall of 1961.

"I found the best looking group," he recalls. "This led directly to my interest in the theater and I appeared in several SIU productions."

Roundtree's previous film roles have been limited to bit parts in "What Do You Say to a Naked Lady?" and the unrelaxed "Parachute to Paradise." He worked in the legitimate theater as Jack Jefferson in "The Great White Hope" during his Philadelphia run.

Formerly with the Negro Ensemble Co. in New York, he performed in a succession of plays, including "Mau Mau Room," "Man, Better Man" and "Kong's Harvest."

## Madison School Board Changes Bus Service

The Madison School Board of Education Thursday night awarded a new contract for school bus transportation to School Transportation Inc. of St. Louis.

The move followed similar action by the Granite City District 9 School Board. Venice is expected to make a similar change from the Bi-State Transit System to the new organization.

Madison chose the School Transportation bid of \$131.59 per day over the Bi-State bid of \$127.99 because of better extra and charter rates, according to Chester L. McManaway, board president. The School Transportation bid also offered a three-year contract with a 6% maximum rate increase. Bi-State offered only a one-year contract.

The company also promised new buses which would be replaced within five years to avoid use of old or obsolete equipment, McManaway added.

The contract is valid only if the Venice School Board selects School Transportation, rather than Bi-State, because of overlapping routes it is far more expensive for separate companies to service the two systems.

Both bidders pointed out the bids were submitted under the assumption that Venice and Madison would hire the same company.

**Receive Roofing Bids**  
Two bids for roofing a section of Dunbar School were taken under consideration by Fred Riddle, superintendent, who is

to call a special meeting to award a contract before the end of the month. Also to be considered at the special meeting will be bids for painting the inside rooms and corridors of Madison Junior High School.

The board elected to call for fuel bids and bids for a set of four-door stack ovens for the junior high cafeteria kitchen. They are to be considered at the July 15 meeting.

Board Member Harold Fisk was selected to serve a second term on the Special Education Cooperative Board which serves the Granite City, Madison and Venice school districts. Fisk served as president of the special education board last year, and under a rotation of officers will serve as secretary this year.

Elvira Kuegelstein, director of the Region I district of the special education program, was retained in that position, as were Lawrence Putz, Esther Vassileff and Maia Gailher, psychologists.

The special education faculty members must receive approval of all three school boards to continue in their positions.

**Riddle on Board**  
The board also authorized Riddle to act as the official school board representative to all special education programs for the 1971-72 school year, including the Work Experience and Career Exploration Program for 14 and 15 year old potential drop-outs.

The program allows a vocational work-study program and is a pilot program funded by the Labor Department.

A resolution requesting a two-year extension of the fire safety code for installing a fire escape at the high school was adopted. Riddle reported all other work was progressing satisfactorily and that all buildings will be in compliance with the code by the opening of school in September.

The board also authorized Riddle to contact the John Mull Agency to secure an insurance plan for children attending the

Madison schools during the 1971-72 school year.

Riddle reported the summer school, recreation and student work study program began June 7 for six weeks each and the head start program began June 14 for seven weeks, each four hours per day.

The Neighborhood Youth Corps program was to have a start June 14, but only six of the 60 youths promised to the district appeared and arrangements are being made to secure the full number before beginning the full program.

The board authorized the superintendent to prepare a budget and appropriation ordinance for next year to be considered at the Aug. 19 meeting.

A studio grand piano at the high school was sold to the Baldwin Co. for \$600. The board was informed. At last month's meeting the bid for the old piano was rejected so that the superintendent could try to get a better offer, but all attempts were unsuccessful and the bid therefore was accepted, Riddle said.

## 10 New Homes Among 14 Building Permits

Building permits for 10 new homes along Briarhaven Drive, valued at \$14,000 each, were obtained last week by the Dale Construction Co.

They were among 14 permits issued during the third week of June, listing values of \$14,200. The activity brought the totals so far this month to 29 permits at \$170,654.

Others obtaining permits were Richard Sturdivant, 2217 Cardinal Ave., a garage, \$1,000; Gomer Hill, 201 Center St., roof and siding, \$2,000; Ronald Aldridge, 2506 Propes Ave., a new room on a carport, \$900; and Preston Poe, 2432 Missouri Ave., installation, \$400.

In addition, Floyd Miller was issued a permit to raze a three-room house at 2451 Missouri Ave. at a cost of \$49.

## Quad-City Area Voters to Ballot in 56 Precincts

Quad-City area voters balloting in tomorrow's election of two levee board trustees will cast their ballots in 56 precincts. Voting will be in 32 precincts of Granite City township; 11 in Venice township; 11 precincts in Nameoki township and

## MORE ABOUT Area Votes

Lester Thiele of Granite City on the Republican ballot.

Polling places will close at 6 p.m. and results of the balloting in the Quad-Cities will be reported directly to the office of County Clerk Eulalia Hotz at Edwardsville.

Governor Ogilvie ordered the special primary and election following the conviction and sentencing of the present four levee board members on charges of misconduct in office. Along with fines of \$1,250 each and three years probation, the circuit court at Belleville ordered their removal from office.

The board members obtained a stay order from the Appellate court permitting them to remain in office pending appeals of their convictions. State Attorney Robert Rice of St. Clair county challenged that order in the Supreme Court, but the high court held with the Appellate Court ruling and permitted the present board members to remain in office.

Governor Ogilvie maintained their conviction automatically removed them from office under Illinois statutes and he ordered the special election in spite of the court rulings.

There has been only scattered interest in the election and a light vote is predicted. One of the lightest votes of any election in the area's political history was cast in the May 4 primary in which the two Democratic and two GOP candidates were nominated.

## 10,000 Attend Jaycees 10th Homecoming

An estimated crowd of 10,000 attended the four-day "Homecoming" celebration, which concluded last night at 25th Street and Missouri Avenue under the auspices of the Granite City Jaycees.

The greatest number of people attending the event was recorded Friday evening when more than 7,000 patrons crowded the festival site, David Partney, Jaycee president, said today. Attendance was aided this year by the fine weekend weather, unlike the past two summers when rain held down the size of the crowd, he noted. Rock music, two country-western shows and a German Strauss Fest Band from Waterloo sparked the entertainment, in addition to midway rides, a Jaycee-operated beer garden and carnival booths.

## GC Steel Objections to Use of 'Average' Statistics Upheld in Pollution Hearings

Objections to use of "average" statistics as a basis for gauging smoke emissions at Granite City Steel Co. were upheld during hearings here Thursday and Friday of Illinois Pollution Control Board charges of air pollution against the steel firm.

Hearing Officer Samuel Lawton Jr. several times sustained objections by Defense Attorneys Thomas Sullivan of Chicago and Randall E. Robertson of Granite City when Herbert Caplan, assistant attorney general and prosecutor for the Environmental Protection Agency, attempted to compute alleged emissions at the steel plant on average emission statistics involving other firms.

The hearings in the Granite City hall will be resumed again Thursday and continue through Friday. Present plans call for a continuous one-week session beginning Monday, June 28 and continuing through Friday, July 2.

### Technical Testimony

Arthur Kuhlman, manager of plant operations at Granite City Steel Co. was the first witness to give testimony on the maintenance of coke oven doors as a necessity for keeping the doors in operating condition. Kuhlman began his testimony June 11.

Caplan then called Anton Telford, manager of the Region 4 office of the state Environmental protection agency to testify on specific violations of EPA statutes which he allegedly observed at Granite City Steel. Telford testified to numerous dates in 1970 on which said

he observed "heavy smoke emissions" from the coke ovens and battery stacks. He claimed the emissions were in excess of that allowed by law. The emissions, he said, exceeded number 2 on the Ringelmann scale for measuring smoke.

Sullivan asked what method was used in determining Ringelmann readings to which the witness replied, "visual observations."

Sullivan objected, claiming the readings were "visual" and requested conclusions and value judgments. Hearing Examiner Samuel Lawton Jr. elected to withhold a ruling on the objections until questioning of Telford had been completed. The Ringelmann scale is the only present method to determine the color of smoke, with zero being pure white and 5 totally black.

The witness was asked to determine how much dust and sulphur compounds escape from the coke ovens each day. Using figures supplied by the previous testimony of Donald Cairns, vice-president of the company, Telford calculated that about 1,100 tons of particulate matter and 11,800 tons of sulphur compounds escape per year into the atmosphere.

Emissions Heavy  
The dust emissions are nearly twice that allowed by the EPA regulations, while sulphur emissions "are between 5 and 6 times that allowed," the EPA official said.

Attorneys for both sides spent considerable time Thursday trying to determine precisely what Granite City Steel Co. is

## Mrs. Lorena Harland Dies Here at Age 69

Mrs. Lorena M. Harland, 69, of 1839 Fourth St., a 20-year resident of Madison, died at 2:30 a.m. Sunday at St. Elizabeth Hospital. She had been ill for seven months and in the hospital 10 days.

Mrs. Harland was born in Middletown, Ind. She was a member of the First United Presbyterian Church of Madison, a member of the Order of the Eastern Star, Gabriel Shrine 73, White Shrine of Jerusalem, and the Venice-Madison American Legion Auxiliary 307.

Mrs. Harland is survived by her husband, Floyd Harland; one daughter, Mrs. Earl (Beverly) Benoit of Granite City and two grandchildren.

Funeral arrangements are given in today's obituary column.

## MORE ABOUT Two Killed

striking the curb, according to police.

Mrs. Barbara Champion was admitted to St. Elizabeth Hospital with lacerations over her right eye and to her right calf, and abrasions to her legs and arms.

The driver was released after treatment for an abrasion to the top of his head and pain to his left shoulder. Mrs. Carol Champion was treated for multiple lacerations to the right shoulder and was released.

Gerald D. DeLozier, 44, of 4537 Walter Ave., and Mrs. Alberta E. Sander, 41, of 709 Meadow Lane, were injured when their autos collided head-on at 11:05 p.m. Sunday on Old Route 66, a quarter mile west of Maryville Road.

Both were admitted to St. Elizabeth Hospital. Mrs. Sander suffered a laceration under the lower lip and pains in the chest and right knee.

Carl Hitts Tree  
An auto driven by Ronald W. Boring, 2100 Victory Drive, struck a small tree and some bushes at the home of William T. Zinn, 2816 Lincoln Ave., at 12:15 a.m. today.

**\$400 Motor Stolen**  
An outboard motor valued at \$400 was stolen from a shed at the home of James Sullivan, 2651 Nameoki Drive, he reported at 12:55 a.m. today. A lock hasp was forced.

Willard Hicks, 28, of 2816 Forest Ave., and a passenger, Robert Szodlar, 29, of 3234 Princeton Drive, were injured when their auto and one driven by Homer West, 2333 Paul Ave., collided at 9:15 p.m. Sunday at Maryville and Morrison Roads.

They were taken to St. Elizabeth Hospital. Hicks had pains in the neck and right upper leg and Szodlar suffered contusions to the forehead. Both were released following X-rays.

**Two Autos Collide**  
An auto driven by William Mehl, 2284 Benton St., and John J. Summers, 2405 Wilson Ave., collided at 8:50 p.m. Sunday at E. 23rd Street and Nameoki Road.

The agreement to be presented to the city council in its next meeting is a memorandum which specifies that the city shall receive "cash rental in the amount of 15% of the gross receipts received by the lessee from the landfill and related activities, conducted on the premises during the term of this lease."

It also provides that payment to the city shall be made in installments on the last day of each month "following the beginning of activities on the premises."

It states further that "the sum of \$25,000 to be paid by the lessee and applied by the lessor (the city of Madison) directly toward the opening, operation, control, repair, maintenance and use of the bridge to the extent necessary to render the bridge safe for use by all trucks, tractors, trailers, semitrailers and other vehicles who are and may be used in connection with all activities and operations conducted on the premises during the term of this lease."

**Fire Destroys Office, Garage at Sunset Motel**  
Fire caused an estimated \$5,500 damage Thursday at the Sunset Motel near the old roundhouse at the foot of Sunset Hill. The Mitchell Fire Department answered the first call at 3:45 a.m. Thursday and were on the scene about two hours. At 9:30 a.m. they were called back to the motel as the fire started again.

The motel office and garage were gutted but guests units were not affected. The damage included \$3,500 to the building and about \$2,000 to the contents, firemen said.

## MORE ABOUT Garber

The Silver Star is the second highest decoration conferred by the U.S. military upon its officers and men.

One month ago, it was announced that Sgt. I. C. Garber had been decorated with the Bronze Star Medal (First Oak Leaf Cluster) with "D" Device for heroism in Vietnam, an act by which he saved the life of a wounded soldier.

In the citation which accompanied the Bronze Star, Sgt. I. C. Garber was cited for "exposing himself to intense enemy fire while providing a covering fire for the rescue of a wounded friend."

**Defeated Cong Attack**  
"As the enemy fire intensified, Sgt. I. C. Garber provided aggressive initiative by assisting in the placement of additional firepower on the enemy," the citation continued. "His courageous actions and aggressive forces defeated a strong Viet Cong attack."

During the incident for which the sergeant received the Bronze Star, he was serving as Light Weapons Infantry Adviser, with the 6th Regional Force Battalion, Advisory Team 77, Delta Military Assistance Command, United States Military Assistance Command, Vietnam.

The family believes he still was with the same advisory team at the time of his death. In addition to his widow, Sgt. I. C. Garber is survived by five brothers, Charles and Tony Garber, both of Granite City, George Aden of Overland, Mo., Tom Aden of Yakima, Wash., and Dave Aden of Orem, Utah; three sisters, Mrs. Gerkin of Granite City, Mrs. Clara Babayk of Seattle and Miss Marie Aden of Toledo, Ohio; and several nephews and nieces.

## Girl, 31, Bitten; Owner of Dog Sought

Mr. and Mrs. Lewis Brazier, 83 Rivier Drive, are seeking the owners of a male dog, described as having a long-haired, reddish brown coat, about 30 inches tall of mixed breed, which bit the couple's daughter, Karrie, 3 1/2 years, on the leg about 7:30 p.m. Sunday.

The incident occurred in a neighbor's yard near the Brazier residence. The animal appeared to be a mixture of collie and German shepherd breeds, the father said, noting that it is necessary to locate the dog and its owners to undergo a series of painful anti-rabies injections.

Anyone with information concerning the animal is asked to call the Brazier's at 876-6206.

## GC Post Office Third In Safety Competition

Granite City Post Office has received a third place award in a national safety competition, with a perfect record for driving in 1970, according to an announcement by James H. Davis, foreman in charge of the post office's safety committee.

The award was made by the National Safety Council for the post office's 34 carriers having driven during 1970 without a traffic accident of any type. Granite City is one of 38 post offices in the Illinois and Michigan regions included in the competition.

Two top awards went to post offices whose accident free mileage exceeded the local total. In all types of injury accidents this year the Granite City post office is 16th among 17 for January through April.

## Miss Rosemary Daniels, Thomas M. McIntosh Wed

Miss Rosemary Daniels and Thomas M. McIntosh were united in marriage Friday evening at 7 o'clock in a candlelight ceremony at St. Mark Roman Catholic Church in Venice. The bride, Miss Rosemary Daniels, 231 Jefferson Ave., Venice, was escorted by her father, Mr. and Mrs. Walter McIntosh, 520 Washington Ave., Venice.

The bride, escorted down the white carpeted aisle and given in marriage by her father, chose a full length gown of Venice lace and organza designed in A-line style. A high neckline and bodice of Venice lace formed a cuffed effect at the shoulders over the extreme full length sleeves of organza which were cuffed with wide bands of Venice lace.

Her veil was triple tiered and shoulder length fashioned of bridal illusion and she carried

a bouquet of white daisies. Miss Evelyn Ruiz was maid of honor and bridesmaids were Miss Kathy Daniels, a sister of the bride, Miss Joyce Miller, Miss Nancy Dykils and Miss Rev. Terry Shea, pastor, officiated.

They wore identical floor length gowns of white daron with flower print skirts in orchid and white. Designed with a square neckline, four orchid buttons decorated the bodice front.

They wore matching picture hats and carried baskets filled with white daisies. Faith Durr, the flower girl, appeared in a frock of white crepe trimmed with yellow daisies and a yellow ribbon encircling the waist. She carried a basket of white daisies.

Terry Daniels, the bride's brother, served as ring bearer. Joseph Miller III was best man. The corps of groomsmen and ushers consisted of Richard McIntosh, a brother of the groom, Jim Edmiston, Kirk Reidelberger, a cousin of the groom, Denny Hill, Ricky Reidelberger, also the groom's cousin and Phillip Daniels, a cousin of the bride.

A wedding reception was given at the Venice-Madison American Legion Post 307 following the church ceremony. After a wedding trip to Pennsylvania the newly married couple will make their home in Venice. The former Miss Daniels is employed at Boatmen's National Bank in St. Louis. She is a graduate of the Venice schools. Mr. McIntosh, also a graduate of the Venice schools, is employed at Milmor Manufacturing Co. in Venice.

## Public Tribute Set Sunday to Honor Retired Madison Teacher

A public tribute to Mrs. Margaret Green, a Madison school teacher who retired this month after serving 30 years in the Madison school system, is planned for 2 p.m. Sunday, at the Bethel A.M.E. Church, 1039 Market St., Venice.

The special program will be sponsored by the Madison Progressive Woman's Club. Mrs. Mahalia Griggs is serving as general chairman for the affair. Mrs. Green has taught kindergarten classes at Dunbar and Blair elementary schools for almost three decades. The past 12 months she was in charge of a kindergarten class at Harris Grade School.

An ardent civic worker, ac-

tive in many community betterment programs, Mrs. Green is a member of the Progressive Woman's Club. She and her husband, Raymond Green, a St. Louis postal worker, reside at 712 Washington St., Madison. Those expected to take part in the program honoring Mrs. Green are George Smith, a former principal of Dunbar School; Mrs. Ada Walton and Mrs. Amelia Liddell, both retired colleagues of the honored guest, and Madison Alderman John Haynes.

The Madison women's organization is headed by Mrs. Clara Floyd, president, and Mrs. Artherine Sands, secretary.

## 'Garden Walk' for Gardenaires

A cool summer setting at the home of Mrs. C. E. Eads, 2621 State St., provided the scene for a garden walk of the Gardenaires Club held in connection with a regular monthly meeting last week.

The members attending were Mrs. Jerry Arbeiter, Mrs. John Farrell, Mrs. Earl Glenn, Mrs. Charles Kohl, Mrs. Mary Kristian, Mrs. Albert A. Malotki and two new members, Mrs. William Long and Mrs. Alex Tarpoff.

Mrs. Malotki, president, conducted the business meeting,

which included reports on the recent planting of a memorial flower bed at the City Hall and maintenance of beautification plantings at the West Granite Fire Station.

There was also a discussion of the current display at the Mini-Garden Information Center at the Public Library on "Lawn." The club will participate in the operation of a booth at the Fourth of July celebration at Wilson Park.

A report on the recent convention of State Garden Clubs Inc., in Miami Beach, Fla., was given by Mrs. Glenn, who served as a delegate from her club. She also provided the comprehensive study for the day on "Ferns," illustrating her talk with varieties brought from Florida.

The program "Environmental Legislation Pending in the State of Illinois," was given by Mrs. Farrell. Roll call was answered with pertinent facts on the Brown Thresher in a study of birds for the year, and a plant sale was held after the meeting.

The club members have been invited to meet with Mrs. Glenn for a garden walk at her home, 1609 Garfield Ave., July 15 at 9:30 a.m. At the same meeting the group will have as speaker and special guest, Mrs. S. P. Shea, the Blue Star Memorial Highway chairman for the Garden Clubs of Illinois, Inc.

**R IF A NEW MEDICINE COULD TALK**

"When I was discovered by a research scientist, I really caused a lot of excitement. Everybody in the laboratory was overjoyed when I showed what I could do against disease. Of course, they checked me out pretty carefully to be sure I wasn't a fluke. I had to prove myself over and over.

"Then, when they were sure of me, I was packaged up nicely and they introduced me to all the doctors. They must have been impressed too, because they asked the pharmacist to get me to their patients. I know I had better enjoy my popularity for pretty soon newer medicines will be grabbing the headlines."

### JC's Nose Out Liz's In 8-7 Game

The GC Jaycees came up with four runs in the last of the seventh inning to nose out Liz's 8-7 in the coldest game in Park District softball action Friday evening at Worthen park.

Liz's held the lead with single runs in the second, fourth and sixth frames and with two in the fifth and seventh, while the Jaycees, outlasting Liz's 14 to 13, came up with two in the first, third, fifth and sixth frames prior to the winning onslaught. Liz's committed nine errors.

In other Classic Western action, Lucille's Tavern downed the Eagles 10-4 and Nestle defeated Suburban Barbers 21-8.

Lucille's took an early lead with four runs in the first inning and the Nestle decided the issue with seven runs in the bottom of the fifth and six more in the sixth. The winners outlasted the Barbers 21 to 8.

**Church League Action**  
In Church League action, First Assembly of God defeated Nameki Presbyterian 21-0, Niedringhaus Methodist downed Central Christian 18-10 and Bethel Evangelical Free Church was tripped by Tri-City Park Tabernacle 11-9.

Tim Stoeckel was the winning pitcher for First Assembly, giving up 15 hits, including a home run by Larry Harmon. The winners collected 32 safeties, including two homers by Mark Whitworth.

Niedringhaus Methodist out hit Central Christian 28 to 20, and scored in every inning. Whitey Hemphill was the winning pitcher. Bill Lancaster of the Methodists came up with two triples.

Tri-City Park broke a 9-9 tie in the bottom of the ninth with two runs. Bethel out hit the winners 20 to 16. Jim Black was the winning hurler. Mike Johnson homered for Tri-City Park and Danny Bixler tripled for Bethel.

Yellow Pages blanked the Eagles 20-6 in a Junior High Girls League game, while Diamond Plating matched the 22-0 effort over Rose Bowl and Helpee Selfe defeated Ed Moore Sr. 13-8 in High School Girls action at Wilson Park.

**POINT LEADER** Wib Spalding of Pontoon Beach forged ahead in the super sprint division at the Tri-City Speedway Friday night by recording the fastest time of the night and winning the feature event. The triple-header show also included midget and late model stock action and was attended by 5,000 fans.

## 5,000 Fans Attend 6-Hour Races at Speedway Here

Wib Spalding of Pontoon Beach took over the super sprint division lead at the Tri-City Speedway during Friday night's triple-header program as a crowd of more than 5,000 persons cheered him on to victory in the feature event. Racing continued until 1:20 a.m. Saturday as a slippery track was responsible for numerous mishaps which brought out the red flag 12 times to stop events. The yellow flag was displayed on numerous occasions, slowing the field.

The Tri-City Classic, a 50-lap late model stock feature with a purse of more than \$1,000, was responsible for 10 of the red flags. The race went under the caution light six times. Despite numerous mishaps which crippled at least a dozen cars, there were no injuries. Larry Kirkpatrick of Wood River walked away from his auto with only a stiff neck after he flipped end-over-end, clearing three cars, in the fifth lap of the super sprint feature. Seven cars were involved in that mishap on the second turn.

## Mercer, St. Mary's Bow In Inter-City League Play

The two local teams went down to defeat in Inter-City Baseball League action Sunday as the Machinists tripped Mercer's 14 and St. Mary's lost to Glen Carbon 9-3.

Mercer took a 2-0 lead in the top of the fourth when Jim Scott got a free ride and Lindell Mendelhall clobbered a four bagger.

The Machinists tied it with six runs in the seventh in a game at East Alton.

Mercer staged a minor comeback with two more runs in the eighth as Rich Schardan and Dave Sparks, both two for four, crossed the plate.

After beating the Machinists earlier in the season 19-3, Mercer manager Wendell Corey, when asked what happened Sunday, said "They had a real good pitcher in Larry Beller who is a former minor league pitcher with the Boston Red Sox organization. In addition, Alton was just plain tickling well."

Bob Finke, the losing pitcher, was relieved in the seventh by John Coris. Mercer now is 4-5.

Mercer will play a double header against Molitor of Collinsville at 1 p.m. Sunday at Wilson Park.

St. Mary's was held to five hits and committed two errors as Glen Carbon had 13 hits and was charged with one miscue.

A triple by Jim Ohiendorf in the seventh inning scored Larry Gerzites. The other Booster run was scored in the fifth when Gerzites singled, driving home John Kulaz.

The only home run of the game was hit by Glen Carbon's Dave Hamilton in the seventh inning with two men on base.

Frank Papa was the losing pitcher going the first seven innings. He was "relieved by John Piechotnski."

St. Mary's will have a chance for revenge Sunday in a double header at 1 p.m.

In other league action Troy took a double header beating Highland-Pierson 5-3 and 21-8, and Fairfax edged Maryville 8-7. Molitor drew a bye.

## Bettenhausen Wins USAC Midget Race

Merle Bettenhausen of Tinley Park, Ill., was the winner of the U.S. Auto Club midget race at the Tri-City Speedway Sunday night.

Bettenhausen met strong competition from Jimmy Garuthers of Anaheim, Calif., Bob Wente of Normandy, Mo., and Dave Strickland of Pleasant Hill, Calif., in the USAC event.

Another contender was Larry Kirkpatrick of Wood River who started in 16th position in the feature race and passed Wente on the last lap to claim fifth place.

Strickland broke a rear axle in his midget in a heat race, but assumed the drivers seat of the Gus Shon Offenhausser driven here Friday by Wib Spalding of Pontoon Beach.

Garuthers monopolized the events until magneto problems forced him out with five laps left in the feature. He had set a new track record in qualifications and in the first heat race.

Only about 500 fans attended the event in which 24 USAC midgets competed for top prize money and national points.

The grandstands were filled with 5,000 fans and about 3,000 remained into the early hours of Saturday morning to watch the completion of the event.

**Mitchell Atoms Win Dupo Ball Tournament**

The Mitchell Atom All Star team returned Sunday as champions of the Dupo Atom Division All Star tournament.

Mitchell defeated Cahokia 18-7 under the leadership of Shane Manning who hit three home runs and Kevin Cripps who pitched two.

Bob Batey was the winning pitcher. Mark Jones hit two circuit bloopers and Manning slammed another as Mitchell clobbered Hazelwood 18-7, in their second game Saturday.

In the championship game Sunday Mitchell continued to clobber home runs in downing Collinsville. Blasting away for Mitchell were Batey, Kevin Cripps, the winning pitcher, and Dennis Coggins.

The winning team was supported with a large trophy.

# MISS DOMBROSKI FETTER AT SURPRISE SHOWER

Miss Mary Dombroski was honored at a surprise personal shower, last week, given by her bridesmaids, Mrs. Martha Kiemer, Mrs. Alice Doerr, Miss Jane Parker and Miss Deen Loyet in the home of Mr. and Mrs. Keith Parker, 1509 Garfield Ave.

Decorations were in pink and white with a three layer wedding cake made with white towels serving as a centerpiece for the gift table.

After the honoree opened her gifts, games were played with several prizes awarded to the guests.

Guests attending were Misses Jane Gabriel, Donna Patterson, Karen Logue, Mina Tarpoft, Connie Law, Cecil Weiss, Cathy Hagnauer, Lorraine Rufft, Mrs. Keith Parker and Mrs. Walter Dombroski, mother of the bride to be.

Miss Dombroski will become the bride of Royce Morgan on July 3 at Sacred Heart Polish Catholic Church in Madison.

## VACATIONISTS RETURN

Mr. and Mrs. Truxton Allen, 1720 Garfield Ave., are at home after an extensive vacation tour. One week was spent in Miami, Fla., and the remainder of the time on the Royal Caribbean cruise ship, "Song of Norway," with visits to the Bahamas, San Juan, Puerto Rico, and the Virgin Islands.

MRS. JOSEPH T. OCHOA, the former Ochoa, who was married Saturday at St. John United Church of Christ.

## Ochoa-Brokaw Nuptials Saturday at St. John

Miss Ovelia Marlene Brokaw became the bride of Joseph Thomas Ochoa Saturday evening at St. John United Church of Christ on Nameoki Road.

The bride is a daughter of Mr. and Mrs. Kenneth Brokaw, 2466 Lynch Ave. Mr. Ochoa's parents are Mr. and Mrs. Joseph Ochoa, of Glen Carbon.

The Rev. Paul Surbey officiated at the 6 o'clock service in a setting of candlelight and white altar flowers, together with touches of green, yellow and pink daisies, the colors of the bridesmaids costumes.

A program of guitar and vocal music consisted of the numbers "Solar", "We've Only Just Begun", "Love, Look At The Two of Us", and the theme from "The Love Story".

Escorted down the white-carpeted aisle and given in marriage by her father, the bride wore an Empire gown of silk organza and Chantilly lace.

The sleeves were long and full and the bodice featured a high neckline, trimmed with Val lace. The full skirt, softly gathered, was enhanced with vertical bands of lace and bordered with lace.

A floor-length Spanish mantilla was edged with matching lace and the bride carried a bouquet of white carnations, yellow, green and pink daisies with white ribbon streamers.

Miss Joan Bess was maid of honor, serving with Miss Lorraine McKay, a cousin of the bride, bridesmaid, and Miss Joanna Ochoa, the bridegroom's sister, junior maid.

The attendants were gowns of Venice lace with Empire waists and full chiffon skirts. All wore picture brim hats in colors to match the gown of maid of honor, and the bridesmaids, in their Nile green and white, and pink

and white for the junior maid. They carried bouquets of white carnations centered with daisies.

For her daughter's wedding Mrs. Brokaw chose a pink chiffon dress and a pink lace jacket with matching accessories. The bridegroom's mother was in a yellow knit costume and yellow accessories. Both mothers wore tinted carnation corsages.

Jon Jenkins was best man and Tim McKay and Greg McKay, cousins of the bride, and Tony Ochoa, the bridegroom's cousin, and Ed Brokaw, another cousin of the bride, served as groomsmen and ushers.

The wedding reception was held in the church Fellowship Hall with Miss Barbara Brokaw, another cousin of the bride, in charge of the guest book.

Mr. and Mrs. Ochoa left after the reception for a honeymoon in the Missouri Ozarks. When they return June 24 they will reside at 3227 Maryville Road.

The bride, a student at S.U.W., graduated in 1970 from the Granite City High School. Mr. Ochoa, a 1969 graduate of the local school, is employed by the Terminal R.R. Association of St. Louis.

Among the out-of-town guests here for the wedding were Mr. and Mrs. D. L. Evans and family of Houston, Tex.; Mr. and Mrs. Harold McKay of Anchorage, Alaska; and Mr. and Mrs. Richard Brokaw of Chicago.

Mr. and Mrs. Orville McKay, grandparents of the bride, entertained members of the wedding party at a rehearsal dinner Friday evening at their home, 2380 Madison Ave.

MR. AND MRS. DAVID G. LYNCH, who were married at Hope Lutheran Church May 30. The bride is the former Lois Ann Kueker, a daughter of Mr. and Mrs. Arnold Kueker, 2105 Maanley Ave. Mr. Lynch's parents are Mr. and Mrs. George Lynch, 2613 Lynch Ave.

## Deborah L. Sipes Bride Of Timothy P. Karius

Miss Deborah L. Sipes, a daughter of Mr. and Mrs. Kenneth Q. Sipes, 1335 Fifth Street, Madison, and Timothy P. Karius, 1813 Third St., son of Mrs. Helen Karius, 2323 Nameoki Road, and William Karius, 1817 Third Street, Madison, were united in marriage Saturday afternoon at two o'clock.

The Rev. Paul Surbey officiated at St. John's United Church of Christ. Mrs. Irene Barrick, organist, played the traditional wedding music.

Mr. Sipes gave his daughter in marriage. She wore a street-length dress, A-line styled, with lace over organza. The long bishop sleeves of organza were cuffed with lace, and the round neck had a roll collar. A shoulder-length veil was secured with a head piece trimmed with the matching lace and an organza bow. She carried a tear drop bouquet of carnations.

The only attendants were Mrs. Phyllis Ann Sipes, a sister of the bride, and Larry Hopkins, Keith Sipes, brother of the bride was usher. Miss Sipes was attired in a street-length

dress of polyester knit. Light blue, it had a rounded neckline in front forming a V in the back. The long sleeves had ruffled cuffs, and the flowers were blue tipped with white. A bow headpiece matched the dress. The bride's parents held a reception in their home during the evening.

The young couple will reside at 1421 Locust St.

The bride and groom are both graduates of the Madison High School. She is employed by the Bess Co. Bakery.

Mr. Karius is employed by a construction firm in St. Louis. Mrs. Sipes chose for her daughter's wedding a turquoise knit costume and white accessories. A corsage of carnations tipped in the matching blue was worn.

The groom's mother wore a pink knit suit and white accessories. Her corsage corsage was tipped with pink.

Out-of-town guests included Mrs. Ozell Walton, grandmother of the bride, and an uncle, Albert Benson of Farmington, Mo., and Mr. and Mrs. Albert Curtis of Flat River, Mo.

## GC Boy Burned, 2 Others Escape in Plane Crash

A Granite City youth was burned and his father and a friend escaped injury when a single-engine private plane in which they were landing at Parks Bi-State Airport near Cahokia crashed and burst into flames.

Edward Beebe, 13, of 16 Ter-

race Lane, received minor burns to his elbow and face, and his hair was singed while escaping from the burning plane. He was released after treatment at Centerville Township Hospital.

His father, Dale, pilot of the plane, and neighbor, Larry Dawes, 15, of 17 Terrace Lane, escaped injury.

The injured boy reported the Aero Commander Lark 100, four-seat plane, was landing when the nose wheel collapsed at touchdown. The plane skidded along the runway to a stop and flames started from the engine compartment.

Mr. Beebe jumped out of the pilot's door and the Beebe youth was in the front seat moved forward to allow Dawes to leave.

Before he could follow Dawes, the flames leaped through the doorway, forcing him back inside, the youth related. His father opened the pilot's door and helped the youth out of the left side of the plane.

Within minutes the airplane was totally destroyed by the fire and only the twisted metal skeleton remained, the boy said.

## Couple Exchanges Vows In Candlelight Ceremony

The wedding of Miss Debra Jeanne Harrison, a daughter of Mr. and Mrs. Oren Harrison of Rural Route Two, and John S. Rutherford, whose parents are Dr. and Mrs. Robert H. Rutherford of Carlinville, Ill., took place Saturday evening at Nameoki United Methodist Church.

The Rev. Raymond Clodfelder officiated at the 7:30 service and a program of wedding music was provided by John H. Harrison, an uncle of the bride, soloist, accompanied at the organ by Neil Seymour. The songs were "O Perfect Love," the Lord's Prayer; and "Whither Thou Goest."

Mr. Harrison gave his daughter in marriage. She wore a gown of organza over tulle featuring an Empire waistline. The bride's dress, accented with Chantilly lace, had a high neckline and Gibson girl sleeves enlaced with lace. The semi-full skirt, trimmed with lace, flowed into a cathedral train. It was embroidered with matching lace.

A profile of organza flowers, pearls and satin ribbon secured a waist-length veil of illusion and the bride carried a white Bible to which was attached a crescent arrangement of white pinnellias, feathered carnations and camellia foliage with baby breath.

The church, lighted with glowing candles in candelabra, palms and white flowers at the altar, was further enhanced with white satin bows and huckleberry foliage on the pews. The candles were lighted by Misses Kathryn King and Nora King, cousins of the bride. Attending the bride was Miss Brenda Johnson as maid of honor, Misses Judith Schell, Sandra Potillo and Peggy Schaefer, bridesmaids, and Miss Venus Derr, a cousin, junior maid.

The honor maid was in a gown of white dotted swiss over lime green tulle. Long, sheer sleeves were gathered at the wrists to form ruffles and the waist of the full skirt was outlined with a cummerbund of green tulle which formed a large bow in the back, ending in long streamers. She wore a neck band of green and a sheer picture hat with a band of green.

All of the bridesmaids were similarly attired, the only exception being the colors of tulle which were coral pink, powder blue, bright yellow and orchid. Their hats and neckbands were in the same colors and they carried crescent bouquets of carnations, camellias and baby breath.

Lisa Rutherford, a niece of the bridegroom, served as flower girl, and another niece, Jennifer Lambert, and Ty Rutherford, a nephew, were ring bearers.

The dress of the flower girl, who carried a basket of multi-colored summer flowers, corresponded to those of the older attendants, and the ring bearer was dressed like a small bride.

Ed Schaefer was best man and the corps of groomsmen and usherers included Chris Schmitt, Mike Selvo, Greg Heinz, Charles King Jr., a cousin of the bride, Clayton Harrison, H. Rex Lambert and Paul and Robert D. Rutherford, brothers of the bridegroom.

The wedding reception was held in the church Fellowship Hall with Miss Melody Fletcher and Miss Vicki McKenna in charge of the guest book.

For her daughter's wedding, Mrs. Harrison chose a pastel pink chiffon dress and carried

The newlyweds will reside in Carlinville after a honeymoon in California.

A graduate of the Granite City High School, the former Miss Harrison attended Eastern Illinois University for one year. She is presently a student at SIU-SW. Mr. Rutherford graduated from Carlinville schools and Eastern Illinois University.

The rehearsal dinner was given by Dr. and Mrs. Rutherford Friday evening at Rusty's Restaurant in Edwardsville.

Many of town relatives and friends joined in the celebration and spent the evening dancing.

Mr. and Mrs. Klesh were married at St. Joseph Catholic Church and have resided here since that time. He is employed by Granite City Steel Co.

**CELEBRATE SILVER WEDDING ANNIVERSARY**

Mr. and Mrs. John Klesh, 97 Riviera Drive, celebrated their 25th wedding anniversary last week with a buffet dinner and party at the Moose Hall in Edwardsville. About 100 attended.

The tables were decorated with silver and white and the buffet table held a tiered wedding cake and a centerpiece of white mums, daisies and carnations with silver ribbon. The centerpiece was a gift from their sons, John Robert, a student at the University of Illinois, and Kenneth, who will be a senior at Granite City High School this fall.

## Honored at Anniversary Party

Mr. and Mrs. Harry W. Smith, 887 Thorngate Drive, celebrated their silver wedding anniversary at a reception held in the fellowship hall of the Nameoki United Methodist Church on Sunday afternoon between the hours of 2 and 4 o'clock. The reception was given by their children, Mrs. Robert (Cheryl) Pyle and Harry and Sandy Smith.

The hall was decorated with a white trellis covered with greenery and pink roses. The reception table held two arrangements of pink pom poms and silver candles. A large cake decorated with pink roses, silver leaves and a large "25" formed the centerpiece.

Mr. and Mrs. Smith were married on June 22, 1946 at the Madison United Methodist Church by the late Reverend H. L. Metcalf. Mrs. Smith is the former Doris Draper, a daughter of Mr. and Mrs. John W. Draper, 1830 Fifth Street, Madison.

Approximately 100 guests attended the reception at the church. A family dinner was held afterwards at the Rose Bowl Restaurant.

Those in attendance at the dinner were the honored guests, Mr. and Mrs. Smith and children, Harry and Sandy, Mr. and Mrs. Robert Pyle, Miss Deb Shanta, Mr. and Mrs. John Draper Sr., Madison; Reverend and Mrs. Robert Krause and son, David, Fairfield, Ill.; Mr. and Mrs. Norman Draper, Mr. and Mrs. Keith Christman and children, Eric, Diane and Jeffrey, Spanish Lake, Mo.; Mr. and Mrs. Vuel Mardach, Alton; and Dr. and Mrs. Ronald Pyle and daughter, Ginelle.

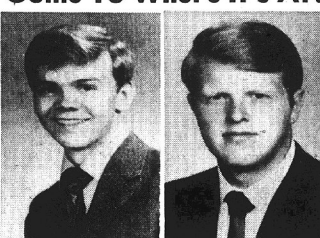

Three new members were enrolled at the meeting and 32 signed for Diamond Jubilee participation later in the summer. This was the last pot luck dinner until September.

On Friday, June 25, the choir of Calvary Baptist Church will entertain at the hall with a sing-along, and a birthday party will be held at the regular meeting in August. Ninety were present at last week's meeting.

## ATTENTION, SILENT MAJORITY

The younger generation is rebelling against the establishment! Sometimes I feel a little sympathetic with their reason (tho not their methods at times). Why do they rebel? Because they know of our corruption, and our scandal ridden politics. What is the establishment? It is the established group of politicians who now control both parties and are maintained in office by those who do not vote as well as by those who sell their vote. We must show our youth that the job can be done at the polls with a vote rather than by burning and destruction. The papers are full of stories about the scandal-ridden levee board. We can remedy this by voting for candidates not affiliated, not controlled by the entrenched establishment. Les Thiele is independent, not affiliated with any pressure group and promises his allegiance to the public at large. This is a break for the public and a golden opportunity to show our youth that we too are fed up with high and wasted taxation—we can prove it can be done at the polls. We owe it to them because our complacency and apathy has become their burden. In a sense, we have been amiss and far too permissive with politicians whose every act seems designed to create a heavier tax burden and a more complex give-away program. The time for disinterest has long passed. Let's give ourselves and our youth a break. Get out and vote. It's a simple thing to do and almost a crime not to. Remember, by not voting, we can easily lose the right to vote, and this would be tragic.

Therefore, a large group of just plain everyday people are asking those like us to "help destroy the notorious East Side Levee Board by voting for Les Thiele. It will be, we are sure, a step in the right direction. Why? Because Les Thiele is definitely independent of any pressure group and has given us his pledge to work for a separate Madison County Levee District. Let us show our youth we can break the iron handed control by the established political lords who have wasted so many millions of our tax dollars. It's up to us and we solicit your support — please.

## GSI to Forego Profit In 1971, Gray Reports

Delays in arriving at a volume level for shipments of two large orders from the St. Louis Car Division plant of General Steel Industries, Inc., have made it necessary to change previous projections and GSI will not operate at a profit for the year 1971, W. Ashley Gray, Jr., president said Friday following a meeting of the board of directors.

"These orders call for the production of advanced, new design rapid transit and commuter cars," Mr. Gray said, "and engineering and manufacturing problems have proven much more difficult to solve than is usually the case."

General Steel Industries, Inc., which operates its casting division in Granite City is a diversified manufacturing company and operates five other divisions and 19 plants in addition to St. Louis Car.

## Children Warned Not To Follow Foggers

A second warning to parents to prevent their children from following street department fogging equipment was issued today by Lionel Portell, city street superintendent. Portell said youngsters following the fogging machines get into the mist and are obscured from the view of motorists driving along the streets on which the foggers are operating. Several serious accidents have resulted from this practice in previous years, he said.

A similar warning was issued last week by Albert Bell, Nanticoke township highway commissioner, who also cited the danger to the children.

## VOTE FOR VON DEE CRUSE AND WALTER "SHANG" GREATHOUSE FOR LEVEE BOARD

Tuesday, June 22, 1971

AS DEMOCRATIC CANDIDATE FOR THE LEVEE DISTRICT WE PLEDGE TO:

Continue to work with Rep. Horace Calvo and State Senator Sam Vadalabene for the reparation of the Levee District. Our Legislatures are the only ones that are able to vote on this bill since the District was established by Legislation.

LEVEE BOARD MEMBERS CANNOT VOTE.

● Pending the accomplishment of the foregoing or in the event that splitting the district is not accomplished, We make the following pledges to the voters in regard to our performance as a trustee of the levee district if elected:

● We pledge to vigorously seek to have all property surrounded by the district, included in the levee district which they are not at the present time. The reason that these properties valued at millions of dollars are not included in the district needs investigation.

● We pledge to enforce a strict rule limiting the number of employees to the minimum required for proper performance of the responsibilities to the levee district and pledge that the levee district payroll will not be used for bono dogging or the payment of political debts. Every employee shall be a working employee.

● We pledge to follow the statutes of the State of Illinois to the letter in regard to the letting of bids and the awarding of the contracts and pledge that all caucuses as well as all meetings shall be open to the public and press.

● We pledge to keep legal fees to a minimum and recommend that the attorney be paid on a per diem basis rather than on a yearly retainer so that he will be paid only for work done for the levee district.

● We pledge to make a disclosure of our personal income to assure the public that there is no conflict in the performance of our duties.

● Finally, We pledge to make every effort to operate the levee district in as efficient a manner as possible.

We believe that being elected a member of the Board of Trustees for the East Side Levee and Sanitation District represents one of the biggest challenges any elected official representing the local taxpayers would confront today. We would like to have the opportunity to accept this challenge.

SHRINE CIRCUS TIME at the Tri-City Speedway attracted crowd of nearly 5,000 at one of its matinee performances last week. Clown in right foreground is greeted with mixed emotions by youngsters in front rows. This view is of one section of bleacher seats at speedway grounds. Four performances were presented here. Circus moved to Bellevue where it performed Saturday and Sunday and will show again tonight.

## Renowned Guitarist, Met Star on Festival Program

Angel Romero, guitarist, will perform July 17 at the second Saturday night program of the Mississippi River Festival under the direction of Walter Susskind, conductor of the St. Louis Symphony Orchestra and Festival music director.

The 8:30 p.m. program will feature Falla, Rodrigo's "El Amor Brujo," "Concierto de Aranjuez" on guitar and orchestra, group of guitar solos and Saint-Saens "Symphony No. 3."

Romero is the brilliant youngest son of a gifted family of guitar artists. Miss Marilyn Horne, a Metropolitan Opera star, will make her appearance on Saturday, July 24, when she will sing "Non temer d'am basso affetto," from "Siege of Corinth," by Rossini. A soprano, she will be the featured artist of "An Evening of Opera."

Included on her program will be Ah mon fils, from "Le Prophete," by Meyerbeer; Noles seigneurs salut! from "Les Huguenots," by Meyerbeer; and My Heart at thy sweet voice from "Samson and Delilah," by Saint-Saens.

Milan, London Appearances Miss Horne won worldwide renown at La Scala in Milan, Covent Garden in London, and with the San Francisco and Chicago Lyric Operas in this country before making her debut at the Metropolitan Opera.

Her voice has a phenomenal range, from contralto to soprano, without a break. She sings Wagner, Mozart, Bach, Mahler, Berg and Stravinsky with equal ease.

The first Sunday concert on July 11 will begin at 7:30 p.m. with Leonard Slatkin conducting, and Jeffrey Siegel, pianist, appearing on a program entitled, "The Classics in the Films."

Music by Bach-Stokowski, Mozart, R. Strauss, Ligeti, J. Strauss and Gershwin will complete the evening's performance.

Composer-conductor Henry Mancini returns to conduct the St. Louis Symphony Orchestra in another concert of popular music on Sunday, July 18.

Building New Stage

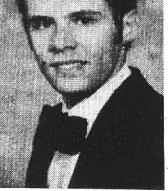

A new feature will be added to this year's Festival. SIU-SW is constructing a permanent acoustical shell and stage enclosure, which will protect the stage and sound equipment year-round.

In addition, the site will feature a new tent at the lower end of the natural amphitheater. The new model will provide covered seating for 1,877 people in canvas captain's chairs. The chairs are colored to correspond with ticket colors for quick and easy seating.

Single tickets are available at all Festival box offices for \$2 to \$5.30. Local patrons may obtain tickets at the American National Bank, Nameoki and Felling Roads, and SIU-SW campus, University Center, through Richard Madison at 636-2000.

## Dr. Stout to Join Vet Hospital Here

Dr. Tim L. Stout of Springfield, who received the doctor of veterinary medicine degree from the University of Illinois College of Medicine during commencement exercises Saturday, will become associated with the Bellevue Animal Hospital here.

He is to be married on Saturday to Miss Barbara Mang, daughter of Mr. and Mrs. Clifford Mang of Granite City, who holds a bachelor of science degree in nursing and is employed at St. Elizabeth Hospital.

Dr. Stout, son of Sam P. Stout and Mrs. Frances F. Stout of Springfield, is a 1965 graduate of Kemper Military Academy, Booneville, Mo. He received his bachelor of science degree in veterinary medicine from the U. of I. in 1969.

He served as treasurer of the Illinois Student Chapter of the American Veterinary Medical Assn. and was a member of Omega Tau Sigma, professional veterinary medical fraternity.

## Regional Crime Prevention Seminar Planned Tuesday

Local law enforcement personnel, government officials, businessmen and Chamber of Commerce leaders from throughout southern Illinois will attend a regional crime-prevention seminar Tuesday in the Ramada Inn, Mount Vernon.

The day-long seminar, third in a series of regional meetings being held throughout the state, is sponsored by the Illinois State Chamber of Commerce in conjunction with the Illinois Law Enforcement Commission.

According to R. M. Robinson, chairman of the State Chamber's Committee on Respect for Law and Order, a major aim of the seminar is to bring together men from government and business to learn of the resources available from ILEC and the many programs it is financing to assist communities in upgrading their police, courts, jails and probation departments.

In addition, those attending the seminar will have the opportunity to meet with their counterparts from other communities within the ILEC regional planning unit in which they are located to discuss cooperative measures in the war against crime.

"Statistics show that many areas in Southern Illinois are

experiencing an increase in crime far above the state and national averages," said Robinson. "Support by businessmen for the efforts of local government and criminal justice people to combat crime is essential. Knowledge and use of the resources and plans of the ILEC can be a basic factor in the success of any programs to correct this intolerable situation."

Robinson is consultant, DeKalb Feeds Division, W. R. Grace & Co., Rock Falls. These counties will be represented at the seminar: Alexander, Bond, Calhoun, Clay, Clinton, Crawford, Edwards, Effingham, Fayette, Franklin, Gallatin, Green, Hamilton, Hardin, Jackson, Jasper, Jefferson, Jersey, Johnson, Lawrence, Macoupin, Madison, Marion, Massac, Monroe, Montgomery, Perry, Pope, Pulaski, Randolph, Richland, St. Clair, Saline, Union, Wabash, Washington, Wayne, White and Williamson.

Food Stamps Taken

Food stamps worth \$25 and \$2 cash were taken from the apartment of Joe Hibbler, 175 Lee Wright Homes, Venice, Thursday afternoon. Hibbler reported the theft to police at 5:10 p.m. Thursday.

## John Mangoff Given Engineering Award

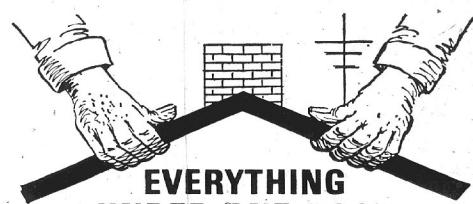

John N. Mangoff, 1025 Madison Ave., a 1971 graduate of Madison High School, has received an "Engineering Science Award" from the Junior Engineering Technical Society. It was announced today by Harold P. Brown, chairman of the JETS Award Selection Committee.

He was selected by the JETS National Headquarters as one of seven finalists of the St. Louis area, and placed second. Selection was on the basis of scores made by Mangoff on the National Engineering Aptitude Search test.

A local committee of engineers selected the seven young men as finalists on the basis of their test scores. Selections also were based on the overall qualities American youth dedicated to the betterment of the world.

Although the JETS Panasonic Award does not carry with it any monetary value, the recipient's selection from an original group of more than 30,000 students is a clear indication of the value of the award.

Mangoff has been awarded and has accepted a scholarship from Shell Oil Co. and will attend the University of Missouri at Rolla in September. He will study electrical engineering.

## McCarthy to Address St. Louis Demo Meet

Former United States Senator Eugene J. McCarthy, a principal contender for the 1968 Democratic presidential nomination, will be the featured speaker at the second annual civic dinner of the St. Louis Chapter of the New Democratic Coalition (NDC) Friday evening, at the Hilton Inn, 10330 Natural Bridge, across from Lambert St. Louis Municipal Airport.

William F. Behn, chairman of the local NDC group, said that at the dinner, the former Minnesota Senator would make a major address concerning critical national issues as well as matters of special significance to the Democratic party in Missouri and elsewhere.

Mr. Behn said, "We are hopeful also that Senator McCarthy will comment on Democratic party reform. This subject is particularly important to Missouri Democrats at this time in view of the dissatisfaction among Democratic office-holders and Democratic voters, concerning the State Democratic Committee's past reluctance to comply with recommendations of the Missouri State Commission on Party Reform, the Little McGovern Commission."

## Two GC Physicians Renamed to Academy

Two Granite City physicians, Dr. Francisco B. Dionea and Dr. George F. Dietz, have been re-elected to active membership in the American Academy of General Practice, the national association of family doctors. Re-election signifies that the physician has successfully completed 150 hours of accredited postgraduate medical study in the last three years. Members become eligible for re-election at the end of the third year following their election to membership.

The Academy, the country's second largest national medical association, is the only national medical group that requires members to keep up with medical progress through continuing education.

The Academy, founded in 1947 and headquartered in Kansas City, Mo., has been instrumental in the establishment of a new primary medical specialty in family practice. The new specialty is expected to increase the numbers of family physicians available to serve the public in the future.

The Academy's postgraduate education program is the foundation of eligibility for family doctors now in practice who apply for certification in the new specialty.

## Parents Group Protests Cut in Blair School Classes

A group of 15 parents of students at Blair and Dunbar schools protested conditions at the school's regular meeting Thursday evening.

The group, led by Mrs. Marion J. Crain, president of the Blair School Mother's Club, objected to the board's recent decision to cut one second grade class at Blair School, leaving only three classes with 27 students in each.

"That's too many for under-

educated black children," one mother said. Mrs. Crain stated that more than 25 children in a class was unacceptable.

The parents further complained about the special education class, which has been held in recent years in the halls of the school. "That's no place to learn — too many distractions," a parent commented.

Due to Economics  
Chester L. McManaway, board president, informed the parents that the decision was

made on "sheer economics." He cited enrollment figures which showed a drop in the number of students at Blair from 474 in 1965 to 341 in 1971.

He said the decision to drop one class was made in light of the decreasing enrollment and in order to clear one classroom for use by the special education class. "We are doing just what you wanted, getting that class out of the hall," he commented. He said that the decrease in students over the five-year period meant an \$80,000 loss in

state aid. "We have to work within the framework of the available money," McManaway explained.

"By all logical reasoning, we should have dropped three classes, one in each grade, and not one," the president said. "We most likely will have to do that next year if the drop in enrollment continues."

List Enrollment Figures  
Enrollment figures for all schools in the district from 1965 to 1971 were given to the parents showing a decrease in the

district from 2,995 students in 1965 to 2,655 students at the close of this school year.

The parents also complained about conditions and facilities at Dunbar School and asked what work had been done since a list of needs at the school was presented to the board May 20.

McManaway said that since the list was received, the board has examined the school and is seeking bids on new roofing over damaged sections of the building.

He also said several sewing machines at the high school are being repaired and will be placed at the school to replace

## Vadalabene Hits GOP Opposition To 'Heart' Fund

State Senator Sam Vadalabene (D-Edwardsville) has called the Republican opposition to his bill for the appropriation of \$2 million for the prevention and reduction of heart disease "a callous political decision."

Senate Bill 225 which was introduced by Senator Vadalabene to encourage research in heart disease and to provide for heart disease detection among Illinois school children was defeated. Not one Republican Senator voted for passage of the bill.

"This legislation was endorsed by the Illinois Heart Association, the Chicago Heart Association and the Illinois Medical Society as well as many of the leading heart specialists in the State of Illinois," Vadalabene said.

One of the features of this bill would have provided for the examination of our school children for possible heart problems. This feature could not help but improve the chances for many young people to lead normal, healthy lives by early detection of heart problems.

"I have postponed the final vote on this bill in an effort to find one Republican Senator who will vote for it. I urge all Illinois citizens who are interested in this critical legislation to let their views be known to their Senators and Representatives."

"If the State of Illinois can spend \$1 million dollars per mile to build highways, we can sacrifice two of these miles for the heart care of our citizens."

"Heart disease is the number one killer among Illinois residents," he added.

"It is not only fitting but essential for state government to help our citizens who are suffering from heart disease. There is no greater priority than our personal health."

"The Republicans may have balanced Governor Ogilvie's budget by defeating this bill but they have tipped the health scales against tens of thousands of our citizens."

## Delightful Dilemma--6 Lovely Girls Seek Miss GC Title

By VALERIE EVENDEN

Press-Record Staff Writer

In a setting of rich red velvet, sparkling diamonds and summer blossoms, one of six lovely girls will proudly wear the Miss Granite City crown to conclude an exciting evening of entertainment Thursday at the Washington Theatre.

Departing from a tradition followed in previous contests, this year the Granite City Jaycees, sponsors of the annual Miss Granite City Pageant, will present a spectacular array of entertainers to create additional enjoyment and excitement for patrons viewing the show at 8 p.m. Thursday.

Tickets, priced at \$5 each for downstairs seats and \$3 each for balcony seating, still are available for the pageant from Jaycees and Jaycette members, at all local banks and many local business firms. Tickets also may be purchased at the box office window the evening of the show.

The local talented beauties—their eyes focused on capturing the Miss Granite City crown and an opportunity to compete for the title of Miss Illinois—will be joined onstage by several other beautiful young women, including a former Miss America, the reigning Miss Illinois and pageant winners from four area communities.

Also spotlighted during the two-hour extravaganza will be the inspiring performers of "Up With People" youth show, the Amap Shrine Temple No. 10, the Junior Tambrizans, and Rodney Lehr, an organist who has appeared at most top night spots in the St. Louis area.

Special performances will be presented by Miss Illinois Lynn Alexander of Springfield, Miss Effingham, Miss Collinsville, Miss Clinton County and Miss Decatur.

Former Miss America, introducing the state title, will be the pageant winner, Miss America—Miss Judi Ford of Belvidere, Ill., the stunning blonde who won the Miss America title in Atlanta City, N. J. in 1969 as Miss Illinois by astounding judges with her skill and grace on the trampoline.

Both Miss Ford and Miss Alexander will be honored Wednesday evening at a dinner party and reception, hosted by the Jaycees at the Rose Bowl Restaurant.

The vivacious twosome also will attend the traditional "Judges' Tea," set for 4 p.m. Thursday at Tony's Restaurant, when the six local candidates are to be interviewed by the panel of judges—an important aspect in the overall evaluating procedure of the contest.

Miss Ford's appearance here is one of several she has scheduled during the summer months. Currently enrolled as a full time student at the University of Illinois, Champaign-Urbana, she continues to make frequent public appearances, sometimes missing one day a week from classes.

Despite the absences Judi maintains a 4.8 grade point average out of a possible 5.0. She is now concluding her junior year at the U. of I., majoring in physical education. She is pledged to the Delta Gamma Social Sorority and resides on campus at the Delta Gamma House.

The former Miss America became engaged last July 4 to Edwin Johnson of Rockford, Ill., and is planning to be married in August.

Her fiancé received his bachelor's degree in physical education from the University of Illinois in January and at present is studying toward a master's degree as well as teaching and coaching on a part-time basis.

Appointed by President Judi was appointed in October to President Nixon's Committee on Physical Fitness and Sports. She is the only woman to serve on the commission of 15 persons, headed by astronaut James Lovell.

She also is a member of the coaching staff of Special Olympics Inc., an international program for promoting athletic competition for thousands of mentally retarded children, sponsored by the Kennedy Foundation; the National AAU Trampoline Committee and the National Junior Olympics Trampoline Committee.

As Miss America, she traveled over 250,000 miles, including a USO tour in Vietnam and appearances in 35 states.

The 1971 Miss Granite City can dates are:  
Miss Anita Rozycki, 18, daughter of Mr. and Mrs. Walter Rozycki, 2016 Lindell Blvd.

Miss Anita Marie Gasparovic, 19, daughter of Mr. and Mrs. Andrew Gasparovic Jr., 2150 Edison Ave.; Miss Janice Elaine Albers, 19, daughter of Mr. and Mrs. William Albers, 3119 Yale Drive.

Miss Beverly Kay Henderson, 18, daughter of Mr. and Mrs. Walter Fink, 2555 Benton St.; and Miss Patricia Ann Finke, 20, daughter of Mr. and Mrs. Peter Ferro, 2520 Delmar Ave.

Local business institutions which have agreed to sponsor the contestants were announced today by Jan J. Langenstein, pageant chairman.

### Sponsoring Firms

The firms and their candidates are:  
First Granite City National Bank—Beverly Henderson; Mathews Chevrolet—Donna Ferro; First Granite City Savings and Loan—Patricia Finke; Granite City Trust and Savings Bank—Janice Albers; Rozycki Realty—Anita Rozycki; and Granite City Steel Credit Union—Anita Gasparovic.

The new Miss Granite City will receive her crown and sash from Miss Ruth Ann Diak, the dark-haired petite miss who won the title last year.

In keeping with the community's 75th Diamond Jubilee Celebration, the 1971 Miss Granite City Pageant theme is appropriately titled—"Our Queen of Diamonds."

The movie theatre will be transformed into a sparkling setting for the pageant with a flower bedecked background, large colorful playing cards denoting the theme, and brilliant diamond and ruby-red appointments.

A portable stage, extending from the theatre stage, and long red carpeted runway will be added to enable patrons an even closer view of the pageant performers and candidates.

Miss Granite City will be sent

ed upon a throne of flowers, according to Mrs. Pat Fry of the Jayceettes, who is helping to coordinate the pageant with general chairman, Jan J. Langenstein.

This year, also for the first time, the winning beauty will retain the diamond-studded Queen's tiara as a memento of her achievement, Mrs. Fry said.

Additionally, the new Miss Granite City will receive a scholarship award from the Pepsi-Cola Bottling Co., and many gifts from area merchants, business firms and the Jaycees organization. Approximately 20 gifts will be presented to the new beauty-talent winner and her court.

### Usherettes in Formal

Under the supervision of Mrs. Jeannie Kacera of the Jayceettes, a group of usherettes prettily attired in formal gowns will escort patrons to their seats.

The corps of usherettes includes Mrs. Kathy Carter, Miss

Connie Singler, Miss Ann Schilling, Miss Gale Carper, Miss Sherry Graham and Miss Vanessa Cook.

Also formally dressed will be Mrs. Sherry Wilson and Mrs. Mary Peppers who will distribute programs. Assisting the candidates backstage will be Mrs. Gloria Garcia, while Mrs. Ann Davis will supervise the theatre ticket booth.

Starting the final week of preparation for the pageant, the candidates took part in a "make up" session Thursday evening at the Merle Norman Cosmetic Studio. Friday night the girls rehearsed and Saturday they attended the Miss Collinsville Pageant and were introduced at the Jaycees' "Homecoming" celebration in Granite City.

Early yesterday morning, the candidates assembled at the Washington Theatre to begin their dress rehearsal and at 2:30 p.m. Sunday the girls entered several antique automobiles for a pre-pageant parade through the community.

### Hart-Adams Betrothal

The engagement of Miss Joyce Adams and Army Specialist Four Lloyd B. Hart is announced by the bride-elect's parents, Mr. and Mrs. John Adams, 621 Margaret St., Mitchell.

Spec. 4 Hart, the son of Mrs. Earl Rainwater of Pocahontas, Ark., and the late Joseph Hart, is stationed at Fort Sill, Okla. Miss Adams attended Granite City High School and is employed at Mr. Donut.

A July wedding is planned.

**MRS. CHARLES H. BOSWORTH JR.**, a bride of Friday. The former Connie Haddock, she is a daughter of Mr. and Mrs. Eugene Haddock, 1685 Market St., Madison.

### Bosworth-Haddock Vows Heard at First Assembly

The First Assembly of God Church, Granite City, was the scene of the wedding of Miss Connie J. Haddock, daughter of Mr. and Mrs. Eugene Haddock, 1685 Market St., and Charles H. Bosworth Jr., son of Mr. and Mrs. Charles H. Bosworth Sr., 20 Fontainebleau Friday evening at 8 o'clock.

Rev. Larry Jackman heard the vows of the young couple. A reception at the church followed the candlelight ceremony. The bride's father escorted her down the aisle, giving her in marriage.

She was lovely in a floor-length gown of imported silk organza over taffeta. Scalloped Chantilly lace touched with iridescent sequins applied the scooped neckline, the long, full sheer sleeves and the cuffs. Lace encircled the high Empire waistline and trimmed the front and hemline of the semi-full skirt.

A matching looped bow headpiece secured the long, lace-edged double mantilla veil. The bride's flowers were white daisies with white sweetheart roses.

Miss Marian Haddock, sister of the bride, was maid of honor. Bridesmaids were Miss Sharon Banaszak, Miss Reymae Southward and Mrs. Margaret Boyle, sister of the groom.

Adrianne Humphrey and Kathy Ann Bargiel, cousins of the bride, were flower girls.

The groom chose Terry Starwar as best man. Serving as groomsmen were Dennis Holt, Robert Clinton and Dan Ray. Clay Haddock, brother of the bride, and Curtis Bosworth, cousin of the groom, seated the guests.

The bride's mother was attired in a dress of aqua cotton lace over taffeta, with beige accessories and a corsage of white cymbidium orchids.

Mrs. Bosworth, mother of the groom, chose a beige chiffon dress with brown accessories. She wore a corsage of yellow cymbidium orchids.

**MRS. BERNARD SCHUTZENHOFFER JR.**, a bride of Friday. Before her wedding at St. Joseph Catholic Church, she was Karen Sue Kelly.

### Miss Karen Sue Kelly Married at St. Joseph

In an evening ceremony Friday at St. Joseph Catholic Church Miss Karen Sue Kelly and Bernard Schutzenhofer Jr., were married by the Rev. Martin Mangano.

The parents of the young couple are Mr. and Mrs. Walter Kelly, 3137 Willow Ave., and Mr. and Mrs. Bernard Schutzenhofer Sr., of East St. Louis.

Mrs. Clete Judd presided at the organ and the 7 o'clock ceremony was followed by a reception at the Lewis and Clark Restaurant in East Alton.

Miss Susan Lucido was in charge of the guest book. Mr. Kelly gave his daughter in marriage. She wore a Victorian gown of white peau de soie trimmed with maize velvet trim and the Empire bodice had large lace applique motifs down the center front of the A-line skirt. Short puffed sleeves were also enhanced with Venise lace motifs and cuffed with the lace and maize ribbon.

A train fell gracefully from the high waistline and it too was bordered with lace through which was threaded maize ribbon. A Camelot headpiece secured the bride's tiered bouffant veil of imported silk illusion, melody length, and she carried a colonial bouquet of white pom poms and yellow sweetheart roses.

Miss Debbie Kelly was her sister's maid of honor, and Miss Kathy Holcom, Miss Pat Posage and Miss Nancy Schutzenhofer, the latter a sister of the bridegroom, were bridesmaids.

Richard Schutzenhofer served his brother as best man, and groomsmen were Robert Schutzenhofer, a cousin, Robert Menz, and Norbert Belz. Michael Les and Jerome Schutzenhofer, brother of the bridegroom, were ushers.

The bride's attendants were dressed alike in Victorian gowns of yellow voile with front lace trimmed with Val lace. Tiny yellow buttons were used on the Camelot yokes and trimmed with the Val lace.

Camelot headpieces of yellow and brief veils were worn by the bride's attendants.

## Six Flags-Not Disneyland But a Lot Closer-Recalls Fair of 1904

(First of two parts)

How local is Six Flags Over Mid-America?

Well, the six flags include the banner of the state of Illinois, plus the flags of the United States, the state of Missouri and the countries of Great Britain, Spain and France.

And there have been many Quad-Cityans among the crowds visiting the recreation center since it opened June 5. Its location is the Allenton, Mo., exit of Interstate 44.

Six Flags, Inc., has constructed and currently operates Six Flags Over Texas, midway between Dallas and Fort Worth, and Six Flags Over Georgia near Atlanta. More than 20 million guests have visited one park or the other since Six Flags Over Texas opened in 1961.

The basic concepts of operation of Mid-America follow the same patterns as the company used in the development of the other two parks. The park provides wholesome family-type entertainment designed to appeal to people of all ages.

It is extensively and colorfully landscaped and is kept immaculately clean. It is run by the same type of clean-cut hosts and hostesses who run the Georgia and Texas parks.

It features an all-inclusive, one-price ticket which includes the right to ride all the rides, visit all the attractions and exhibits, and see all the shows as many times as desired at no extra cost. Ticket prices are \$6.50 for adults and \$3.50 for children 3-11.

Exceptions to this no-cost rule do exist. Food purchases cost extra, as do marksmanship practice at a shooting range, acquisition of souvenirs, and a varied assortment of arcade machines—ranging from aerial dog fights to road racing skills. The amusement center lacks the gourmet restaurants offered at the New York World's Fair of the 1960s.

And, at least in its present state of development, it lacks the dizzying attractions found at Disneyland.

But it is much more convenient geographically. And plans call for more features to be added, including possibly a greater assortment of food. Lois, Bill Jr., Mark Macios and I found the fried chicken at Six Flags well cooked and tasty.

What the boys enjoyed in time was the Hoo Hoo train (about ten rides) and the River King Mine roller coaster (they rode it 22 times).

Other highlights included Injun Joe's Cave, (floating voyage through a dim, wierd setting), Mississippi Adventure, (a trip through simulated hazards along a "mini" river), Pet-a-Pet (where youngsters can feed deer and pigs) and Apple Tangle (a dizzying walk along angled canisters).

Then there were the Skyway (aerial cable cars seating four persons, Mule-Go-Round (merry-go-round utilizing mule-power, St. Louis and Allenton station rides (old-fashioned steam-powered passenger trains), Fast Draw (portraits painted while you model), and the Dolphin Show (which we failed to reach despite a full 12-hour day of 10 a.m. to 10 p.m.) and the Hoo Hoo (which was).

Not a single major accident marred the perfect safety record in building Six Flags, which is the Midwest's largest family entertainment center.

At the moment that announcement was made in 1963 of the proposed project, John Everett Smith, vice-president of all Six Flags construction, has been clearing the 200 acres of pastureland that would become Six Flags Over Mid-America.

Larry Cochran is vice-president and general manager of the center, located 35 minutes from St. Louis' Gateway Arch.

Interstate 44, not to mention the estimated 70 million persons within 500 miles of St. Louis, are two of the reasons the Six Flags organization selected the Quad-City area.

More than 18 months of research went into locating a site; 13 other areas of the

U. S. were considered before the final selection.

The history of this region also was a major consideration, and history is an important part of Six Flags Over Mid-America.

And, at Six Flags, history is fun. There has been an effort to recapture the spirit of the past in the buildings, rides, exhibits and shows.

As guests enter the park, street lights reminiscent of "turn of the century" St. Louis greets them and lead into the Mall of the Mid-Americas.

Behind the Mall, guests find a street with buildings patterned after LaCade's Landing on the banks of the Mississippi River. In 1783, Pierre LaCade Linger selected a site along the river, and the city of St. Louis grew from the site.

Across the street from the Moon is the First Come. This building serves as an entrance to the World's Fair section of the park.

Guests at the 1904 Louisiana Purchase Exposition in St. Louis marveled at a new product—an ice cream cone. An ice cream dealer ran out of dishes; he turned to a nearby waffle maker for help, and the first cone was born.

The World's Fair also saw the birth of the first hot dog. St. Louis became the center of the world during 1904 for the greatest fair in the world, lasting from April 30 to Dec. 1, and encompassing over 1,200 acres of land.

Buildings in this section of the Six Flags park are patterned after the architectural lines used throughout the Fair.

The Pike and Pick of the Pike are two buildings within this area of special significance. The Pike was the major entertainment area at the Fair.

The Palace is located in this area and is the park's largest live show entertainment facility. Collegiate performers, the Stars and Stripes Salute, in the 1,500-seat theater on a regular schedule.

The Injun Joe's Cave ride features a character figure of some of the fantastic adventures of Mark Twain's "True Life Adventures of Huckleberry Finn."

Why is the log flume ride called the Hoo Hoo? The House of Hoo Hoo was a house built in 1800, serving as headquarters for the lumberman's fraternity of St. Louis and Kansas City.

In time it was considered the greatest exhibit of the use of wood in construction ever provided an exhibit in the Midwest has been a dominant one since St. Louis took the Spanish influence in 1768, and in the Spanish section of the park guests find Casa Meramec, a seafood restaurant.

The name "Meramec" is derived from the Indian word for catfish.

The riverboat ride spotlights a big reason for the growth and development of the Midwest—the "father of waters," the Mississippi River.

Angle Tangle recalls the great earthquake of 1812... the most violent earthquake in United States history.

In the Gateway to the West section, visitors to Six Flags find names recalling existing towns in the Midwest's history—Ozarkadee... Honest Abe's Huts... Truppen's Train... and Jesse James Hideout.

Kitty's Saloon (youthful performers entertain guests as they sip drinks) and Cat 44... Sweet Slou's Candy... and Marquette's Market.

River King Mine is the name used for a "runaway mine train" ride. The actual River King mine is located in Illinois and is the largest coal mine in the world.

In the Modern U.S.A. section, there is the Phi Beta Kappa store. The national scholastic fraternity, Phi Beta Kappa, originated in St. Louis.

As guests leave the park, they find the Self-Floto Tiro circus shop at one end of LaCade's Landing. Self-Floto Circus was one of the best known, best loved circuses operating in the St. Louis area, and at one time employed the notorious Frank James as a ticket seller.

Next: Musical highlights.

## County Redistricted—Unless State Gives More Time; 9 Local Districts Out of 29

Joy over passage of Madison County Board of Supervisors redistricting Thursday is tempered slightly by the plan to rescind the action June 29 if the Illinois General Assembly, in the meantime, grants more time for "one-man, one-vote" reapportionment.

We hope there is no extension of time because the board probably could function better with 29 than with 49 members. The sooner this is achieved, the better. An even smaller total would be preferable, but the pressure was strong and the temptation was great to eliminate no more county board positions than required.

The reapportionment which was adopted calls for 29 one-member districts, nine of which would be changed from the present 1961 total. It is likely to give increased voice to county governmental decisions to the local community, which includes Madison County's No. 1 city in population.

Similarly outstanding musical artists and performances await residents of the Quad-Cities at this metropolitan area at the River Festival concerts. Tickets and information are available at the Quad-Cities Convention Center, Hall, St. Louis, and at many other locations.

Three of the six River Festival officers are Quad-Cityans, reflecting the deep local interest and participation in the ten-city-outside concert series on the beautiful university campus.

The best assurance of River Festival permanence is solid public opinion. The tickets still have an opportunity to obtain good seats at economical prices for the exciting 1971 attractions.

## Election Tomorrow for Levee Board Which May or May Not Be Able to Assume Office

Balloting to be conducted tomorrow for Quad-City voters with the necessity of choosing between four candidates for two potential positions on the board of trustees of the East Side Levee and Sanitary District.

The posts are potential because there already is a levee board and it is fighting a court battle to stay in office despite a court order. Whether those chosen on Tuesday will be seated is uncertain at this point.

Bolestering the new candidates' prospects to an extent is the fact that there is one vacancy on the five-member board. The East St. Louis area pick three trustees and Quad-Cityans select two.

Democratic contenders here are Harold Von Dees, a former alderman, Granite City assessor and court clerk who ran for mayor in 1965, and Walter Greathouse, also of Granite City, who is seeking office for the first time.

Nominees of the Republican party are John Mangiaracino, a former Venice alderman, and Lester Thibault, a former Venice alderman, who is making his first bid for public office after an effective primary write-in campaign.

The GOP aspirants' principal hope of victory would appear to be an extremely tight turnout, which is possible in the present Democratic board and it might be interesting to see what policy revisions they could achieve.

We lean toward Mr. Von Dees and Mr. Greathouse as capable of continuing the tradition of William M. Ebersold and the late Joseph Grant—efforts to achieve the most services and efficiency possible within the limited opportunities open to Madison Countyans outnumbered by St. Clair Countyans.

The differences have been not only geographical but philosophical, and the net result over a period of years has been costly, unsatisfactory services despite the dedicated and sometimes successful efforts of the local trustees.

Regardless of whether the new or old board is in control, the best answer would be a division of the district along the Madison-St. Louis line so that the local trustees could have a say in the decisions of the board.

A state study which is in progress may prompt passage and signing this fall of legislation splitting the district and fairly apportioning the unpaid bond debt among the two new districts.

Venice Acting to Raze Aged Residences in Order to Replace Them With New Dwellings

Venice City Council adoption of a resolution authorizing condemnation proceedings on seven frame residential structures is an encouraging step.

The June 14 action is part of a program in which the city will build dwellings under a government-sponsored development plan.

Razed houses are to be replaced with new homes financed through private or municipal funds. Federal grants are expected to aid in carrying out the gradual renewal of aging residential areas.

## Nation Great, Future Is Bright; Consumer-Ecology Demands for Perfection Would Bar Progress

(Fifth and last of a series from a talk by Thomas R. Shepard Jr., publisher of Look magazine.)

Just recently, the Coca-Cola Co. felt it necessary to reply to environmentalists who demanded immediate replacement of glass and metal soft drink containers with something that will self-destruct.

"A degradable soft drink container sounds like a fine idea," said Coca-Cola, "but it doesn't exist. And the chances are that one can't be made."

Edward Cole, president of General Motors, responding to a government mandate for drastic reductions in exhaust emissions, within the next four years, stated:

"The technology does not exist at this time—inside or outside the automobile industry—to meet these stringent emission levels in the specified time."

But that is a rational, mature evaluation—something which the Disaster Lobby seems utterly incapable of.

So this is the face of the enemy. Not a very impressive face. Not even a pleasant face. Not even a face to be feared, by exposing it to the American people for what it is.

The time for surrender and accommodation is past. The American people must know that, once free enterprise succumbs to the attacks of the consumerists and ecologists and the rest of the Disaster Lobby, the freedom of the consumer is dead.

His freedom to live the way he wants and to buy the things he wants without being told by Brother in Water, telling him he can't.

Truth and justice and common sense are on our side. Americans have a history of responding to these arguments. All we have to do is get the story out—often as possible, in as many forms as possible. And let's not vitiate our efforts by talking to each other such as one businessman to a fellow businessman.

The people must reach the consumers of America, and they're out there right now listening to propaganda from the other side, as often as they're listening to the truth.

But why shouldn't they? They have yet to hear the truth. Let's make 1971 the year we help convince the people of America that our nation is a great one, that our future is bright one, and that the Disaster Lobby is precisely what the name implies. A disaster.

**MR. HOME OWNER ... IT'S SUMMER**

At this time of year, home owners are visited by transient "home improvement" companies who offer to perform repair and maintenance work on dwellings at low cost.

Once on the property, the home improvement company invariably finds that the "trouble" is more extensive than originally described. The repair, having already begun, the home owner is forced to agree to the "extra" work. To his dismay, the cost is no longer reasonable.

Home owners can be secure against fly-by-night "home improvement" companies by dealing with responsible contractors who employ journeymen A.F.C.O. Building Trades Craftsmen. When you need rapid, renovation or construction work, call your local Contractors Association or the A.F.C.O. Building Trades Union in your area and they will provide the names of reputable contractors. You will be secure in the knowledge that the work on your home will properly be performed at high standards by journeymen mechanics.

**Delyte Morris Resigns; SIU President 22 Yrs.**  
Delyte W. Morris, president emeritus of Southern Illinois University, under whose guidance SIU evolved from a small college to a university of more than 32,000 students and 100 major campus facilities, will retire Aug. 31.

Harold Fischer of Granite City, chairman of the SIU Board of Trustees, announced Dr. Morris' retirement Friday at the board's meeting in Carbondale. The administrator was present at the meeting, but left prior to the announcement being made.

Dr. Morris, 64, served as SIU president from 1948 until June 1970 when he resigned the presidency, accepted the post of representative-at-large for the university and was named president-elect of the SIU.

He resigned just before the Chicago consulting firm of Cressap, McCormick and Page recommended elimination of the president's position. The administrator was severely criticized in 1969 when he announced that a private campus residence built for him would cost an estimated \$900,000.

Native of Xenia, Ill., Dr. Morris is believed planning to remain in Southern Illinois. He was re-elected six months ago to his third term as chairman of the board of directors of the Regional Industrial Development Corp.

**SIU Board Approves Festival Shell Work**  
The board of directors of the Southern Illinois University shell work festival, which is to be held at the Mississippi River Festival site at the SIU-SW campus has been awarded to Anselvics & Rupe and architect Larry Melvin of St. Louis. A contract with the firm was authorized Friday by the SIU Board of Trustees.

The protective shell, designed by the firm, is to be completed immediately to be ready for the July 10 to Aug. 16 festival. Funds to pay the architects will come from the \$75,000 approved by the board from the student welfare and recreation fund, and the university's general fund. Fees are not to exceed \$9,000; the board members stated in authorizing the project.

**Woman Assaulted by Two Men at Her Home**  
Florida Brum, 69 Washington Ave., Madison, told police at 10:45 p.m. Sunday that she was assaulted by two men in front of her home. One of the men threatened her with a pistol, she said.

She said one of the men, a relative, pulled her from an auto in front of the house, knocked her down and back, and another man reportedly brought her to her feet and held her while the first assailant continued to hit and kick her. She said the man then displayed the pistol and threatened her. She reported she entered her car and drove to the police station.

**\$200 Taken in Robbery At Picnic Sunday**  
A strongarm robber took \$200 in cash from Albert Guardiola, 49, 2017 Fifth St., Madison, during the St. Mary's Parish picnic at 12:50 a.m. Sunday. The money, which was to have been used to purchase an air conditioner for Guardiola's home, was in a small leather pouch hanging around his neck, police reported.

Guardiola was found by police lying on the ground. His nose had been broken and his face had been struck repeatedly. Witnesses said the assailant walked up to Guardiola and began to strike him for no apparent reason.

**GCS Corp. Name Of Steel Plant After Merger**  
When and if Granite City Steel Co. is acquired by the National Steel Corp. of Pittsburgh, it will become GCS Corp., a wholly-owned subsidiary of National. No clouds have arisen on the merger horizon.

In preparation for the special meeting of Granite City Steel stockholders here July 29, at which merger approval will be sought, a 65-page statement outlining the details has been prepared for holders of common stock.

The agreement approved by the boards of the two steel firms is that the plan is "subject to the condition that no material litigation or governmental proceedings arising out of, related to or based upon this agreement or the merger agreement shall have been instituted against Granite City or National Steel."

It further stipulates that "no new federal or state legislation or regulation shall have been enacted or adopted which—in the judgment of the board of directors of either such corporation—renders it inadvisable to proceed with the merger, or no federal or state authority proposes to apply any law or regulation to either National or Granite City in a manner which, in the judgment of such board of directors, renders it inadvisable to proceed with the merger."

**Veeder, Chambers Named**  
National Steel at present has ten directors, including George A. Simon, president.

After the merger, this would be increased to 12 to include Nicholas P. Veeder, Granite City Steel board chairman and chief executive officer, and M. R. Chambers, a director of the local steel firm who is board chairman and chief executive officer of Interco, Inc., a diversified company formerly known as International Shoe Co.

Veeder has advised stockholders, "It is believed that the proposed merger will result in a greater and more diversified earning power for stockholders of Granite City through operation economies, the integration of the facilities and organizational strengths of National and Granite City, and diversification of resources of the two companies."

"In management's opinion, the combination of Granite City and National Steel will with National's new finishing facilities will have long-range benefits for Granite City stockholders."

**Hooks**  
and vice-president of the post, acting on Hooks behalf, pinned a miniature Eagle badge on the boys' mother, Mrs. Harlin Hooks.

Vince Saputo, 17, of Granite City, Rep. 104 secretary, presented him with his Eagle Certificate and read a personal letter from Alben Barber, chief of staff, executive of the Boy Scouts of America.

**Cong. Price Present**  
Attending the presentation were a Congressman and Mrs. Melvin Price of East St. Louis; Mr. and Mrs. Greg (Patricia) Puente of Venice, and several representatives of the National Council Boy Scouts of America.

Henry N. Wixon, of Kensington, Md., national president of the Knights of Danians, Eagle Scout fraternity, presented Hooks with a lifelong membership in the organization and an Eagle Scout badge.

President's Chapter 71 of Washington, D.C.  
Hooks is in a partially paralyzed condition, and is beginning to make some improvement. He can move his arms and has regained movement in the fingers of one hand. He has been moved to Room 2347 in the physical therapy section of the Washington University Hospital.

"When I dove and hit bottom I came to the surface and tried to swim, but found I could not move," he related. I knew I was hurt bad. I tried to call for help, but could not. I took a deep breath and prayed for the lifeguard as I began to go under again."

**Rescued from Pool**  
"When the life guard brought me to the surface I managed to tell him not to lift me. He floated me to shallow water. When a member of a rescue squad and other people got a plank under me so that I would not move, and got me to the hospital."

"The only thing I wish I had are people my own age to talk to. Everyone here is great to me, but they are all a lot older than I am," Hooks said.

The youth will be in the Washington hospital for a period of two to four months before returning home. His mother is staying with him, and his father has returned here to work. Friends are encouraged to write him.

**Theft from Auto**  
Hilary Jablonski, East St. Louis, reported at 11:30 p.m. Sunday that two sports coats, a leather jacket, a black brief case containing American Legion post records, a box containing post records and a postal department badge were stolen from his auto parked at the Rose Bowl Restaurant at 11:30 p.m. Sunday.

**Purse, \$120 Stolen**  
Jane Pospischel, 1426 Third St., Madison, reported at 1:10 p.m. Thursday that someone stole her purse which she left unattended for about an hour in the emergency room section of St. Elizabeth Hospital. It contained \$120 and assorted papers.

**34 Hits in 2-1 Game In Boys' Softball**  
Thirty-four hits were counted but the runs were scarce as Mercer edged Hagop's Heroes 2-1 Sunday in a High School Boys Softball League game at Wilson Park.

The Heroes out-hit the winners 18-16. Skip Hillman took credit for the mound victory while Gary Asadorian chalked up the loss.

Clark's Hardfacing let go with 35 hits to beat Midtown Pharmacy 2-4.

Tom Zarling tagged a four bagger for the Young Life Angels who defeated DeMolay 10-4.

The Oddsells lost Sunday 15-3 as Liz's made 15 runs on one run in the first, third and sixth innings on 10 hits.

**Classic League**  
The Eagles in Classic Western action bombed the Suburban Barbers 29-19 as both teams committed nine errors. The Eagles out-hit the Barbers 15-10.

In Classic Southern action Sunday Pieper Foundry downed Abel's Auto Body 13-10, out-hitting the losers 20-13.

Friedrich Heating tripped Hagop's Heroes 10-8, out-hitting the Heroes 13-11.

**Bill Would Require Junior College Vote**  
The Illinois Senate voted 36-10 on Thursday to require that all parts of the state be in a junior college district by July 1973.

The Quad-City area at present is not a part of a junior college system.

With the Illinois House substantially approved an implied consent bill intended to reduce drunken driving, an aide to Gov. Ogilvie said during the weekend that 100% of the state's share of federal highway safety funds is endangered.

The Senate on Friday appropriated \$108,770,865 for operation of SIU-SW and SIU-Carbondale. Gov. Ogilvie said he will hold the 11% on higher education spending in the coming year at \$87.2 million.

**Gen. Kornet Assigned**  
Maj. Gen. Fred Kornet will be a commander of the Army Aviation Systems Command, replacing Maj. Gen. John L. Klingenberg, who will become logistics director of European Command supply and maintenance, Stuttgart, Germany, July 15. Gen. Kornet has been assistant deputy chief of staff for logistics in Washington, D.C.

### Vocational Center Offers Career Aid

An educational-vocational center where students at Southern Illinois University-Southern can receive information on all types of careers and jobs has been established.

The Center is temporarily housed in the Counseling and Testing Center office on the second floor of the General Office Building.

Primarily designed for self-service and self-assessment, the Center features a multi-media approach, including books, pamphlets, film strips and tape cassettes.

Students can find material on job qualifications and go to files to secure specific information. No appointments are required to use the Center.

The Center is designed for initial planning for careers as well as re-evaluation at any time during the student's college work. Emphasis is on applied aspects of the student's educational program.

Four SIU-SW offices have worked together on developing the Center, including the Counseling Center, Placement, Academic Advisement, and Library.

### Beginner Gymnastic Class to Open at Y

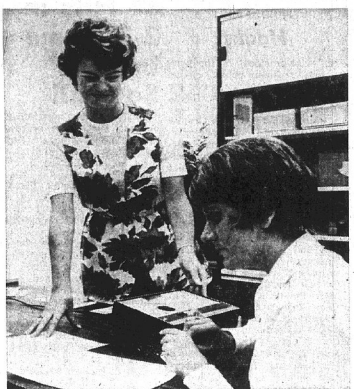

A beginner gymnastics class for boys and girls (ages 6-13) will start Tuesday at the Tri-City Area YMCA.

Ronald Ireland, YMCA staff associate, said the class will meet weekly on Tuesdays from 4 until 5:15 p.m. The class will consist of basic tumbling, still rings, trampoline, parallel bars, balance beam, side horse and horizontal bar.

Ireland said this class is available only on a membership basis. Those interested in further information or registration are invited to stop in at the YMCA Youth Dept., 2901 Edison Ave. in Granite City or call 876-7200.

### Auto Stolen, Found

Two youths stole an auto owned by Gary Brady, 22 Jeanette Lane, parked at 1833 Delmar Ave. at 2:25 p.m. Friday, were spotted and chased by the owner and found and recovered the car at 16th Street and Delmar where it was abandoned.

**VOCATIONAL AID AT SIU-SW.** Carol Pogorelac, SIU-SW student from Madison (seated) discusses the new educational-vocational center with Ruth Murray (standing) of the Counseling and Testing Services. The new center features a multi-media approach to information on vocations and careers.

### Madison School Board OK's Staff Changes

The Madison School Board night approved Thursday night approved personnel changes recommended by Fred Riddle, superintendent.

Margaret Blackshear was granted a one year sabbatical leave to attend Southern Illinois University-Southern Western next year. She has taught kindergarten and sixth grade at Dunbar School for eight years.

The resignation of Stan Serwatka from the junior high school staff was accepted. He has accepted a position with the Granite City school district.

On the advice of Riddle, Loyal Gunderson was transferred from the staff of the high school to Dunbar, decreasing the high school staff by one teacher. The change was made due to an enrollment reduction at the high school.

Mrs. Dorothy A. Smith, a fourth grade teacher at Louis Baer School, was granted a one-year personal leave by the board.

### Dr. J. R. Vasiloff

**Dr. Vasiloff Elected To Fourth Degree Post**

Dr. L. R. Vasiloff, local chiropractic physician, was elected faithful navigator of the Fourth Degree Assembly of the Knights of Columbus Council 1088 at a meeting Thursday night. He succeeds John Kazman to the post.

Other officers elected were Edward Evans, faithful captain; Walter Christianson, faithful pilot; Leo Portell, faithful commander; Kazman, faithful admiral; Kenneth Wier, faithful inner sentinel; James Stuck Jr., faithful outer sentinel; and Tony Mangiaracino, Edward Lenzi Sr. and Daniel McGee, trustees.

A business meeting followed the election.

### GC Man Starts Prison Term in Drug Case

Michael Chinn, 20, of Granite City, began a sentence of two-to-four years Thursday at the State Penitentiary, imposed by Circuit Judge Harold R. Clark, upon a conviction of unlawful possession of narcotics.

The charge had been reduced from unlawful sale of narcotic drugs. He was arrested last March 10 in a massive raid conducted by the Illinois Bureau of Investigation and local police.

Arrangements were set for Wednesday for two area defendants. They are:

Junior Lee Puckett, 21, of Madison, charged with the murder of James Dunning, 63, of St. Paul, Minn., on June 1 at the Travelodge Motel in Granite City. He remains in custody at the Madison County Jail without bail.

Anthony Joe Wilson, 24, of Granite City, charged with burglary in April at the homes of Hester Johannigmeier, 2545 Lincoln Ave., and Leo Buehrer, 100 Martin St.

The criminal court trial docket for the week of June 28 lists 58 cases, including those of other area defendants arrested in the March drug raid.

### Graduate Nurse Program Due at SIU-SW in 1972

Dr. Lucille McClelland, dean of the Southern Illinois University Division of Nursing, at Southern Campus, told the University's Board of Trustees at Carbondale Friday that SIU hopes to offer its first graduate program in nursing in the 1972-73 year.

The Dean reported that during the past academic year the Nursing Division was granted national accreditation by the National League for Nursing. A site visit at the same time by the Department of Registration and Education continued state accreditation for the program.

During the past year, the nursing program received a \$21,704 grant from the federal government for the SIU undergraduate program. This is the fifth year of federal support for SIU. Money is used to assist with the implementation of the program, such as concepts in the total curriculum she said.

A second federal grant, in the amount of \$53,041 was received. This was a one year planning grant to assist in establishing a model to facilitate the education of registered nursing students.

Dr. McClelland told the trustees that there are now 150 nursing majors enrolled at SIU-SW and 32 of those full-time students are R.N.'s who have returned to school for the bachelor's degree.

There are another 58 registered nurses who are attending SIU-SW on a part-time basis. Because of budget restrictions that limit the hiring of faculty it is necessary to limit the number of new student admissions to the program to 60 for the 1972-73 academic year, Dean McClelland said.

Dr. McClelland said that the nursing curriculum at SIU-SW is designed to "prepare qualified individuals to actively function with competence as beginning professional nurse practitioners; to participate in providing a broad scope of health care to a variety of settings; to obtain a foundation for continued growth and graduate education."

There are 15 full-time faculty members and four part-time faculty members. The division, she stated, seeks to maintain a maximum ratio of one faculty member to each eight students in the clinical area for safe practice.

Students in the SIU-SW program receive clinical experience in a number of locations throughout the area surrounding St. Louis, providing the students with a better understanding of a variety of health care situations and the difference in operations of hospitals and health centers.

In future planning the dean said the Division of Nursing expects to become more involved

### Y Swimming Classes To Meet on Saturdays

Youngsters who know how to swim and have the urge to be a competitive swimmer now have the opportunity to learn the skills at the Tri-City Area YMCA. The class will meet on Saturday mornings at 9 a.m.

Kenn Dunn, Adult Membership and Physical Education Director, will be the instructor. Mr. Dunn, a former competitor with Kokomo, Ind. YMCA and Ball State University, has coached teams in Kokomo, Anderson, and Marion, Ind. and will try to help the "Y" Tidal Waves to develop a bigger and better team.

Instruction will be given on strokes, turns, starts, strategy and other fundamentals aimed at some set standards to develop top flight swimmers. Boys and girls ages 6 to high school age are invited to join the YMCA and participate in this fast growing year round sport. Information may be obtained by contacting Mr. Dunn at the YMCA at 876-7200.

### Injured As Pickup Truck Overtakes

Leo Richmond, 21, of 2019 Troy Ave., was injured when the pickup truck he was driving was forced from the pavement by an auto on Route 162 near East 23rd St. and rolled several times at 11:29 p.m. Friday.

He was taken to St. Elizabeth Hospital with pains to his left shoulder and hand. X-rays were taken and he was released.
